Father, Jesus and HS all give you Their love. And I give you my peace.

Father said – My very dear Team Triland. I wish you and your families a very Blessed New Year filled with many of My blessings.

We start a New Year, what does that mean? It means that all that has happening in the past is forgiven and I have forgotten it. Why do I bring this up? Because some of you are still harboring feelings about the past and you need to let them go. Please forgive each other and move forward. This is the last time I will mention this to the group.

Now what does the New Year hold in store for Us? How should I know?! Ha-ha, I am just kidding. It holds much change. Change in all of you. Change in your families. Change in the church; the members and the leaders.

For the past two weeks Triland has seen the Chief and District Apostles' in the center of His mind. What does that mean? It means that their spirits are investigating Him. They are curious. Could He really be the Second Son of God? I have arranged this "trial" period for them both. No, unfortunately Apostle Orlofski still has no interest in My Son. So, we will concentrate on these two men. I am hopeful that they will reach out to My Son in time. And yes, we have time.

My Son will ask you how things are now within your teams; you all now have new Lead archangels. I am so happy that this part of My plan has been fulfilled. Did you see that My Son paired you all so perfectly with your new leads? The gifts I gave you paired very well with the virtues I bestowed upon the archangels. It is for YOUR advantage to share your life with them. They WILL keep you safe. They WILL rotate your protection team until THEY are secure with your final team. And then THAT team will serve along side of you until Jesus comes and take the Bride. Yes all part of My plan.

My Son will also share that the archangels are responsible for protecting your families as well. They have removed and replaced some of your loved one's angels. They will act fast and ever be vigil when it comes to this task.

I have made this change through My Boy because in this year all of you will be busy handling your tasks. I will put all of you through more tests. No, they will not be debilitating. They will be exercises in tactics on how to defend, protect and secure the Bride. ALL of you will stand on battlefields with your new Leads and they will counsel you on how to evaluate and attack those who oppose ME. You will learn quickly how to size up a battlefield and efficiently command and destroy. This is all needed for the future. Be not dismayed because as I have shared in the watchword that I am with you. Son please read it now.

2018 TEAM WATCHWORD

Joshua 1:9 (NIV)

**"Have I not commanded you?
Be strong and courageous.
Do not be afraid; do not be discouraged,
For the Lord, your God will be with you
wherever you go."**

Never forget this! I am not slack in helping you serve Me and mankind.

Hmmm, mankind... As the saying goes, "They are quickly heading to Hell in a hand-basket!" Yes, they are. They serve themselves and their own desires. They negate and ignore Me and My will. Because of that I will show them the errors of their ways. Firstly, by taking away from them all they hold dear. I will do this first by sending natural disasters, the likes of which they have never seen. Then wars will break out, many will lose their lives, families and again, all they hold dear. Near the end of that period of time will come My Son's announcement! When they hear that I have a Second Son here on Earth in flesh they will flock to Him and listen to all He says.

My dear team you are an extension of My Son. He is MY HAND OF GRACE; therefore, you too are MY hand of grace as well. Be mindful of that. Please stop judging them. Criticizing them and even mocking them. This is not Christ-like or even Guardian-like. I have created all of you to serve them. You are not greater than them. Humble your hearts and serve. Never look "down" at them. I do not wish to put you through something to crush your egos and force you to be humble. We are beyond that my dear ones.

Always remember that what you do is a reflection of US!

Who is "US"? ME, My Sons, HS and all of you! In time "US" will also include the Apostles, after the shaking.

The current Apostolate is broken, self-serving too and very destructive. It hurts Me to say these things about the men who were picked by Jesus to serve My children. They are blind to the needs of the congregations. They serve each other's egos and pride. They serve out of themselves not allowing HS to bring MY so needed word to many hungry hearts. I am not sharing this with all of you so you can judge them and have an excuse to not come to the services. I expect ALL you to attend ALL of the services, PERIOD, NO MORE EXCUSES.

In time you will all be reveled to My children and what will they say about the Guardians? Will they say they did not come to the services? They judged us? They ridiculed us? They turned us away in our time of need? They did not love us? This cannot happen.

Again, I will remind you that I created all of you, yes you spouses too, to handle IMPOSSIBLE! Why do I use that word? Because, at times it is even almost IMPOSSIBLE, for Me to love them, but I do. I have given you ALL a piece of MY heart when you accepted this position, you spouses' have received this gift as well. No, I have never shared this will you until now. Do you see now how important it is for you to LOVE THEM AS I DO?

You were created for this one special task. Help My Son Triland complete my plan of salvation FOR ALL OF MANKIND, LIVING AND IN ETERNITY. No, you will not receive any special bonus. Yes, I interject a bit of humor.

DO not belittle your task. Do not act so human any more. YOU are not like others. You bear the mark of the Lamb, and YOU bear the mark of a Guardian. Is this all too overwhelming for you to bear? IT-IS-NOT! Because WE are with you! ALWAYS!

Now My dear ones, team and spouses, feel My special love as I give all you a blessing that will now fill your hearts and bring you peace for this coming year.

A little reminder to you and the spouses, MY throne room is always open, come and see ME, spend time with ME. I will certainly make it worth your while and effort. After you have your club-card punch ten times you can chose an item of your liking from the gift store. HaHaHaHaHaHa!!!!

Remember your Father loves you and supports you. Now let us get to work!
