Father said; A very Happy New Year to the team and their loved ones that have joined us! Firstly, I would like to thank all of you for accepting my invitation this evening. I know that many of your hearts have concerns and questions about what the future will bear for this team and your loved ones. I will start by putting your hearts and mind at ease by extending to you my peace.

For the past five years many have come and gone from this team. The core which is all of you is now in the process of being solidified. There are many good changes that are coming within this year that will affect all of you. Your attention to the “details” will be essential. What is it that I mean by that statement? Your training and all of your experiences will come to bear on many situations that take place this year. Such as protection from demons, counseling those in need and teaching meditation and giving healings.

You can see all of the changes taking place around this world. This is all Satan’s attempt to fill hearts with fear and causes unrest unlike never before. Terrorism is an effective tool. You will not fall prey to these fears.

Your team watchword this year was born out of the heart of Triland and inspired by ME. It states the following;

2016 TEAM WATCHWORD

1 CHRONICLES 19:13 (NIV)

**“Be strong, and let us fight bravely for our people and the cities of our God.
The LORD will do what is good in his sight.”**

Allow me to break this down for you. “Be strong!” I have given all of you much strength and much wisdom. All of you are experienced with how Satan and his forces work. ArrowStar and Luminance you too will share in this within time. None of you are weak.

“and let us fight bravely for our people and the cities of our God”. Who are our peoples? They are your fellow brothers and sisters. The “cities” are the congregations you all serve in. Protect the Bride of Christ. In time you will protect all “peoples and all cities around the world.

“The LORD will do what is good in his sight.” I will be gracious to whom I will be gracious. This world does not understand that. Free-will causes much pain in this world but I will also tell you that with free-will comes much blessing when hearts are willing to serve me and help those around them. Do you all understand?

Now for the spouses. What is it that you will be doing? For now, your loving guardian needs your support, understanding and comfort when needed. But Guardians you must also give back to your loved one as well. I have filled your hearts with much too. This task is too great for just the Guardians to bear. That is why I gave them YOU. Many of you do not think you are worthy for such a task. If you were not, then I would not have chosen your spouses or you. I am pretty sure that I do know what I am doing.

Over the next few months I will define the Guardians roles more. And when the time is right I will have my Son extend another invitation to have all of you join us once again.

Please know how much I love all of you.

Are doing our “Dailies”?

Are we all meditating?

Are your Protection and Healing teams complete? Protection teams can be six angels now; one Lead and five others.

Spending time with Archangels?

Each Guardian share something positive in their lives and their spouses can chime in too, Brilliance, Tricous, Atmos and Danielle, Blazar and Aurora, ArrowStar, LightStar and Glimmerboy, Nucleous and Fusion, Tranquility and Tom, Quasar and Cindy, Luminance and Triland.

I have been in contact with Lauren Wikel (LightStream). I may ask her if she’s interested in re-joining the team.

Our next meeting is on Sunday, February 7 at 5 PM CST.

Prayer / Next month I would like to pray and then have one of you pray too.
