Our team watchword;

Isaiah 41:10 (NIV)

**"So do not fear, for I am with you;
do not be dismayed, for I am your God.
I will strengthen you and help you;
I will uphold you with my righteous right hand."**

Father said; **My very team Triland and your spouses, welcome to the year 2017. Did you ever think we would be here right now in these years? Sorry Atmos there are no flying cars... yet.**

I have to tell all of you how much I love you first of all. And how very proud I am of ALL of you, yes you too spouses. I have put all of you through much in the years that you have known my Son. It was necessary for all that is coming in the future.

Did you ever think you would have a relationship with Me and my Son's as you do? Again yes for ALL of you. I invited the spouses because it is important that you too are encouraged and strengthened as well.

Our relationship has grown over the years and some of you have seen Me, spoken directly with Me and have even been held by Me while you cried. It is this team alone that receives these gifts from Me. Why? The simple answer is because I love all of you and have asked of ALL of you to handle a task that has NOT been given to the world; it has been give to ALL of you. Yes, spouses even to you.

These Guardians cannot bare all of this without you. They need your love and support to carry this now and in the future. Maybe you think to yourselves that you are not worthy for this task. If you were not worthy then would I have chosen all of you before time began?

I have tailor made ALL of your lives. I have placed all of you in certain positions within my church for a reason; Priests, Choir directors, organists and have placed some of you within committees and in leadership roles. It is for this reason.

Recently much has happened against my Son. The Apostle Orlofski forced Quasar to choose between serving Me and my children or being my Son's friend. I will tell you that this act angered Me. Yes Old Testament God came out for a moment.

I have been trying to soften Karl's heart for some time now. I have complicated his life numerous times and still he will not accept my Son. I will give Quasar and his family extra strength through this time until he can be back with us in these meetings.

I spoke with my Son this past Wednesday. We spoke of Karl's concerns that Triland is in conflict with our doctrine. He is not! Triland is very much a part of US, but He is not part of the Holy Trinity. This is the one thing that continues to haunt Karl. He has a very "Old School" New Apostolic faith. I have forgiven him for what he did against Triland and Quasar. And Triland and Quasar have also forgiven him. He is trying to protect the bride as well, but is lost and confused.

I told Triland that Karl is the "Saul/Paul" in this time. Over 10 years ago I told Triland that the Apostle Orlofski and he will be best friends. He will be his strongest advocate. I need all of you to not lose faith in his ministry and still respect him as an Apostle. May I say this to all of you? Have you not in time also had your reservations about my Son and who He is too? The difference between all of you and Karl is that you have spent time with my Boy and through your conversations; meetings and personal experiences now know who He is. Does this make sense? Please hold nothing against Karl.

I know some of you have your doubts about my Son's announcement in June. Let me say this, I will have Him announced if I have to do it Myself! I did that with Jesus and I certainly can do it for my Second Son. Make no mistake the time is short and I have allotted for all of this in my plan. No man will ever interfere with what I have laid out and need to happen when I have ordained it. Have you not read the bible? (*Then Father chuckled*)

Man throughout all time has always tried to complicate my plans and have always failed. Do not let doubt fill your hearts about any of this.

Have I ever NOT kept my word? Have I ever said one thing and done something else? I am incapable of lying and being dishonest.

Yes time lines have changed with My Son Triland, may I be honest with all of you and I am not trying to embarrass Him or "air Our dirty laundry per say". He was not ready until now. AND you too were not ready as well. Now all of you are ready!

All of you have been tried and tested and have suffered under many injustices, I include the spouses in this as well. And all of you have come out the other end of these trials stronger, wiser and have a stronger faith now then you thought you would ever have. This is why I have done this to all of you.

Need I remind all of you that never in the history of My work of salvation have I ever asked anyone but all of you to do, or shall I say carry out these three tasks?!

- 1) Protect the Bride of Christ**
- 2) Defend the Apostle's doctrine**
- 3) Help bring the Bride home**

Let Me now expand on these three tasks for all of you.

- 1) To protect the Bride of Christ - This does not only pertain to keeping her safe from Satan. It also has everything to do with the conflict that may arise between my children, or what is currently happening in the church with how the brothers act towards My children. Sometimes they are hostile towards one another. You are all an extension of My Son Triland; He is also a Prince of Peace. You are His ambassador's of peace. When possible step in and defend, protect and give peace and counsel to the Bride. Remind everyone as My Son often does, that this behavior is NOT allowed in My Kingdom! Here there is only love, compassion and acceptance.**
- 2) Defend the Apostle's doctrine – Does everyone know and understand our 10 articles of faith? Triland has gone over them in a past meeting**

in March 2015. (they are now listed under resources tab on team site) It is important that all of you know and understand them. You know your faith; this is what it is based on. All that My Son Jesus laid down through the Apostle's ministry. In time my Son Triland will tell the world that the ONLY path the will lead you to My Kingdom as the Bride of Christ is through the New Apostolic Church, no other. Yes others may be the guests but this is not the same. After My Son's announcement many of the leaders and priests will leave. They will start their own churches but they will NOT stand in Mine or Jesus' power and authority. They will be just like all the other denomination that currently spread half truths and lies about My Kingdom and how one can archive Eternal life. ALL OF YOU will speak the truth and set them all straight!

3) Help bring the Bride home – what is this task about? It is all about "TEACHING" It is about working hand in hand with the Apostle's ministry. All of you have been taught by My Son in a way that only you know about. You have been given information about the future and what it holds. You know Me, Jesus and the Holy Spirit on a level that not even all of the Apostle's know. It is your experiences of faith and the conversations you have had with Us that you will share, and in doing so you will teach others about Us and how they too can have a deeper relationship with Us.

Does all of this now make more sense? I told you last year that in the coming year leading up to My Son's announcement I would clarify things for you. Look at Me keeping my word! (*Then Father chuckled again*).

Know this. I could have picked anyone for this, but I handpicked and created ALL of you for these tasks! Yes you spouses as well. It is not a coincidence that you are together. You are My Guardians support. You too are grand examples of faith. Shine as the Guardians do in all that you do as well. My love is in all of you. There will be times where I will use you to help your "Guardian spouse" to heal; to receive courage and love right from your heart and mouth. Do not ever think you are not an important part of My plan. Everyone who is willing to serve Me will be given a part and the strength to carry it out until it is completed. This is My bond and promise to all of you as we start this most wonderful year of change. The Watchword I gave you this year stands true here!

You will see much change in the church through My Son Triland's efforts. Many hearts feel that their will should be served and My will should be kicked off to the side. This is not acceptable to Me! Those who oppose the changes will leave and in time many of them will return and then accept them. It breaks My heart when my own children cannot see My will and serve it.

I will say that there are times when man has complicated and even confused My will for others. This will not be the case when Triland speaks. The time is short and I want all men to be saved, but the church does not know how to make this happen. Triland does! In the coming months I will expand on this topic as well.

Now, do your hearts feel more at ease? Have I not removed some of your doubts? I will now give ALL of you a special blessing to carry out these tasks for Me. It will hold; a deeper understanding of your own faith, a love for all of mankind, strength to bare all of this through time and a deeper appreciating of the power and authority you hold and stand in. Pretty wonderful if you ask ME!

Now I would like to personally thank ALL of you for your love and all of the offerings and sacrifices you have done in My Name for Me, Jesus, Triland and my children. I will bless all of you a THOUSAND fold, to receive more than you thought in blessings you could hold as well; in physical health, strength and wealth. My Guardians and their families cannot be distracted within this time by monetary things. My work of salvation will become all of your focus and determination. Stay tuned!

And always know I am with you, love and support you through all of this!
