

Team Meeting notes – Sunday, October 14, 2018 – 6:30 PM (EST)

Chief Guardians in attendance: LightStar, StarLight, Nucleous, Aquos, Quasar, Brilliance, Tricous, Tranquility, Atmos, Fred & spouses and Triland.

Excused:

Absent: Blazar

Father, Jesus and HS all give you Their love. And I give you my peace.

*******Opening prayer*******

Father said: **My very dear team. Welcome to Fall the season where things turn inward to protect themselves from the cold and become more beautiful. Through every season there is a time of planting, harvesting and then resting. For many of you, there has been too much resting, not enough seeding/planting which means, not very much for the harvest.**

I have been encouraging all of you to become more active in your congregation. Some of you are very active, while others just come to the service. I need all of you to be active in some way in your local congregation.

How will it be in the future as the congregations become aware of your position and task and you have not been active at all? Please get active. Pick one thing to do in the congregation.

Now many of you ask; what is it that I should be doing as a Guardian. Let us talk about that. In past meetings I have broken down all three tasks and expounding on them in our January 8, 2017 meeting. Triland will read this portion to you now.

- 1) To protect the Bride of Christ - This does not only pertain to keeping her safe from Satan. It also has everything to do with the conflict that may arise between my children, or what is currently happening in the church with how the brothers act towards My children. Sometimes they are hostile towards one another. You are all an extension of My Son Triland; He is also a Prince of Peace. You are His ambassador's of peace. When possible step in and defend, protect and give peace and counsel to the Bride. Remind everyone as My Son often does, that this behavior is NOT allowed in My Kingdom! Here there is only love, compassion and acceptance. (*I will add, and make peace between the members, one towards another when you can as well*).**

- 2) **Defend the Apostle's doctrine – Does everyone know and understand our 10 articles of faith? Triland has gone over them in a past meeting in March 2015. *(they are listed under resources tab on the team site)***

It is important that all of you know and understand them. You know your faith; this is what it is based on. It is all that My Son Jesus laid down through the Apostle's ministry. In time my Son Triland will tell the world that the ONLY path that will lead you to My Kingdom as the Bride of Christ is through the New Apostolic Church, no other. Yes others may be the guests but this is not the same. After My Son's announcement many of the leaders and priests will leave. They will start their own churches but they will NOT stand in Mine or Jesus' power and authority. They will be just like all the other denomination that currently spread half truths and lies about My Kingdom and how one can archive Eternal life. ALL OF YOU will speak the truth and set them all straight!

- 3) **Help bring the Bride home – what is this task about? It is all about "TEACHING" It is about working hand in hand with the Apostle's ministry. All of you have been taught by My Son in a way that only you know about. You have been given information about the future and what it holds. You know Me, Jesus and the Holy Spirit on a level that not even all of the Apostle's know. It is your experiences of faith and the conversations you have had with Us that you will share, and in doing so you will teach others about Us and how they too can have a deeper relationship with Us. (Father added, share your faith daily)**

Does everyone remember these points now? It is important that you are doing at least one of these each day. Yes you can. Every opportunity is a learning and a teaching opportunity.

Beloved, these tasks are not that complicated if they live in your hearts. Is My work your first love? Am I your most important person? Are you willing to sacrifice your will for Mine? And are you willing to live your life in My service and serve mankind?

If you cannot answer "yes" to at least one of these points then you should reevaluate your life. What are you doing with your time? Please, do not be lazy and make excuses to Me as to why you cannot do something each day. Keep your word and fulfill it!

If you need help defining or gathering a deeper understanding of how you can meet these tasks daily, ask Triland. He will help you.

I push you all now because the time IS short. My plan will be fulfilled as I have laid out before time began. I need all of you active.

Once Aquos is trained I will tell Triland who the next Guardian will be, he will train them and then we can all move forward. In the mean time stay busy! I loved you before I gave you physical life and I will continue to love and teach you.

Does anyone have any questions, comments or something they would like to add?

- RELIGIONS - Blazar has too much on his plate so Atmos will take his place and will work with Brilliance to do the presenting. We will resume the presentations in February next year.
- Blazar – Was Ordained a Deacon last month for the Indian Reservation, CONGRATULATIONS!
- StarLight – Focus on The Family Series - are we praying for each other and mankind in a special way? Father's Daughter's and Son's
- Atmos' experience in Eternity, StarLight too
- What are you doing to meet Father's task?
- How are you doing on your short-comings?
- Al Capone, his Wife Mae were in service today
- Atmos' email - Your perspective is not always correct, there is always a back-story with the details. Atmos' mental state – we spoke the night before he sent his email. The sanctity and security of their home was violated, and at the time he was told that someone was murdered one house away from theirs. How would you feel? I asked him to send the email. Why wouldn't we give each other the benefit of the doubt? Why would we be hostile towards one another?
- No one should ever feel that they can't make a request of the team. It doesn't have to come from me. Yes, I am the commander of this team, but we are all on the same level. We are here to serve mankind and each other.
- Do we spend time with Father in the morning? Do we ask Them to hold our hand, to guide us through our day?
- Having any struggles, issues or problems? Let's fix them now!
- Preparatory Service for the Departed is two weeks away; October 28th. Service for The Departed is November 4th (Daylight Saving Time, We Fall back and gain an hour)
- Put your POG shield up first then your roses. It works better.
- Visit the Guardian's next year, pick a month let me know
- Guardians please send me your spouse's email addresses so I can include them in next year's team meeting schedule.
- Ending prayer, I will ask the spouses as well if they would like to pray, you are not obligated nor will I force anyone to pray. And you will all pray before I do.
- ***OPEN FORUM. Does anyone have any questions, comments or something they would like to share?***

Our last team meeting for the year will be **Sunday, November 11th at 6:30 PM EST.**

Prayer – Danielle
