*******START RECORDING*******

I give you my peace.

*******Opening prayer*******

Father said: **Hello my dear family. It is such a festive time of the year. How beautiful to watch the leaves change colors and then soon winter will be here, perhaps covering your area in a blanket of white. How pure and simple.**

Over the past year I have watched many “seasons” of change within your hearts. I am so very proud of you.

As I said a few weeks ago, we will enter the holiday seasons. Please take this time to rest and spend it with your family and friends, you deserve it.

I thought I would keep this message light. Some of you have come to see Me, others still need to... Do it! Do it now! Ha-ha.

I love all of you very much.

Does anyone have any questions, comments or something they would like to add?

This is the precursor and one of the reasons Father decided to destroy mankind and start over with Noah. Read – GENESIS 6:1-8
