Father, Jesus and HS all give you Their love. And I give you my peace.

Father said – My dear Team Triland. First off I would like to wish everyone a Happy Thanksgiving. Would you like to know what I am thankful for? It would be all of you, and turkey. HAHA!

I will also wish all of you a very Merry, Blessed Christmas seeing that this will be our last meeting this year. I give all of you My joy!

What shall we talk about? Honestly My Son has a list of items that He would like to go over with you and I support Him in it.

Before I end my message I will bring something to all of your attention. We cannot put our lives on hold waiting for Triland to be announced. There IS much that can still be done on the local congregation level by all of you. Please do not use this as an excuse to do nothing. I will not buy it!

It will be some time before this happens for US. Yes I knew that. Many hearts are hard like a stone and I will soften them so that they will accept all that I have to offer in the future. I will elaborate on this more in January's meeting. We will start off the New Year with a leap of trust and faith in the future.

For now, please find a place for yourselves within your local congregations. There is always room for someone to watch, listen and pray for those in need, especially Eternity. My Son increased the realms to 30 million, many still need prayers Team. You can always work THAT subject into your congregations and conversations. And as always, I love, support and bless all of you.

Does anyone have any questions, comments or something they would like to share?

-
- Seeing demons – how do we see them?
 - Spending time with Jesus is like spending time with a sibling. Time with Father is more authoritative
 - I spent time with the archangels. You too need to spend time with them.

- Nuke's experience with Jesus
Jesus said: as children, we knew that Jesus loved us. We knew that Father's word was good and that His will is law. As we grow, we are taught to avoid things that seem strange to us just because they're different. We learned to not accept things that seem strange. We need to revert back to that childlike faith. We need to accept that what Father has in store for us is good and that we are the ones that will carry out his plan.
 - StarLight - Realm of Christianity - ambassador of childlike faith
 - Tranquility and Aquos - Tom's healing
 - What is the difference between POG and roses? Roses prevent other peoples energy from coming into our space. POG restricts the amount of ALL **Energies** we want to feel.
 - Make sure you clear your mind of PEOPLE before you put up your roses.
 - How do we stay in the center of our minds 24/7? **Practice session**
 - POG for Aura – **Practice session**
 - Water fall of energy – don't forget to use it
 - What do our prayers do for someone in Eternity?
- OPEN FORUM. Things you are struggling with, no judgment. Does anyone have any questions, comments or something they would like to share?

Our next meeting is on **Sunday**, January 7th at 6:30 PM EST.
