They all give you Their love. Please receive my peace.

We welcome Dan (Quasar) to the team!

Father said; **My very dear Healers. Much has transpired over the past two weeks. This process was necessary for my plan to move forward. I needed to see if you would be willing to sacrifice what you hold dear to your hearts for Me, and all of you did. All of you gave me one of the greatest sacrifices a human can give. You gave me part of your heart when you destroyed your teams. So I want to say thank you. (Abraham sacrificed Isaac)**

I know that this process was painful and agonizing for all of you. It turned your hearts inside out and shook you to the edge of your faith. Some of you are still struggling and your teams are not complete.

Within the next few weeks all of this will come to an end and your teams will be complete. Continue to VET them. Go with your gut and what your heart tells you. I have all the confidence in all of you.

Now, I would like to tell all of you that Supplanter's team is now complete. All that is needed is the final training of a few teammates. Over the next six months that will take place and all members will be in place. You have no idea how long I have waited for that day to come into being. My plan will move forward rapidly next year and all that I and Supplanter have been telling you will start to unfold. The Apostle Orlofski will come to understand what this team's purpose is for and he will engage many of you in conversation. I would counsel you to just stay in the truth. We have nothing to hide from him. When those moments come you will remember My words.

I am so very proud of all of you. Some of you felt that this current process was too much for you and that you wanted off the team. I told you that you could handle IMPOSSIBLE did I not?! This was just the beginning of My confirmation for you with all I have laid into you and all of the gifts that I have given you. I have not opened all of your gifts. Today when my Son prays the closing prayer I will then open all of your gifts for the purpose of serving mankind. Yes that statement should be a bit overwhelming for you to hear. But as I said you can handle impossible or I would not have chosen ALL OF YOU FOR THIS TASK!

Now take heart, be strong and know I love you more than you will ever understand.

To confirm you now have one Lead angel from the LB. Everyone now has two legions of angels to command; one from the LB and one from the WB, the WB report to you and your LBA. Blazar was given three legions from Father.
