*******Opening prayer*******

Father said: **My very dear children. Yes, I am addressing you this way today. We are always so formal. Today I wish to be "informal".**

I would like to just have a heart to heart. No, I am not reprimanding anyone. Take a breath. Ha-ha.

I have put all of you through many tests. I have brought you to the brink of your faith. I am proud of all of you. Your tasks are not an easy one, and you stay the course. By the way, I added one more task to the three I have already given you. Triland will share it with you later.

Triland will tell you that the underlying theme for the team this year will be; "STAY ACTIVE!" He will define that for you later as well.

You think at times; when will Triland be announced? Will He ever be announced? Yes, He will be! The time is not right. Look within your own congregations. The numbers are dwindling, faith is waning, and people are leaving. I told you last month that things will get worse before they get better. This is the "GUARDIAN'S" TIME TO PREPARE AND LEARN. I have been schooling you for years. Now we will, in your words, "hunker down" and focus.

I have been giving many of you experiences of faith, which some of you will share tonight with the team. I ask that all of you open up to Me. It is through these individual experiences that I will teach the team. It is important that you let Triland know when you do have an experience.

I thought I would broaden the scope of your training. In the past it has been to protect and heal. I told you last year that you are to teach. So, I will now gear the future meetings to encompass "TEACHING". You are all fine 'Road Scholars' in your own right. All of you can speak to certain gifts and attributes, can you not? None of you have ever had the same test or experience. Together you all form the "core" the "foundation" of this team that Triland and I will now build upon.

You will talk about the team retreat this evening that you will have in the summer. It will encompass; fellowship, meditation workshop, instruction, Sunday service and yes food! I know you all want the last one.

It is My wish that through this weekend retreat I can bind your hearts closer together. Please come. Yes, this includes the spouses and families. Also, Fred, Kathy, Diane and Jamey Allen too. Everyone needs to be there. Please, I have much I wish to share with all of you. There will be a moment when all of you are together, Jesus, HS and I will come. I will share with you my Love. Did I peak your interests?

Many of you have not experienced moments where the Three of us and Triland sit in your living room. Then the Three of us take turns talking to you and Triland tells you what We have said. He cannot fake the energy that fills the room and the hearts. Nor does Triland know of the things we speak of before that moment. You should ask Fred, Kathy the Horns and Waters what it is like. Are you making your plans now?

Only when we spend time together can I strengthen and prepare your hearts for the future as Guardians. I have set this time aside just for you. Please make use of it and know that no one else has this opportunity. You should never take us for granted. I cherish these moments, you should know that. I do not let other children of mine come this close to Me. They certainly do not have the commission that you have. Therefore I give all of you an extra portion.

My love for you is great, it will never change. You have done things in the past that have nearly broken you. You came to Me and asked Me for forgiveness and I have given it to you. I remember those circumstances no more. Now you need to remember them no more as well. I have a favorite saying. Perhaps you have heard it? "Let go and let ME"! Well I change the end of it. Yes, I can see your smiles...

It warms my hearts when you all are happy and full of joy. When a few of you get together for a day or a weekend and share your faith and laughter, this is one of My greatest joys! Please continue to share in those moments.

I love and support all of you. Now try and be good. Your Father is very pleased with you.

Does anyone have any questions, comments or something they would like to add?

- Atmos – Religions/Catholicism – new format

- Father gave us one more task on top of the three. #4 Bring everyone who wishes, closer to the Trinity
- **"STAY ACTIVE!"** We discussed this in our past November meeting: Dailies, Meditating every week. Our 4 tasks, being like Jesus, talking about our faith, counseling others, giving healings, supporting the cong. spending time with Father, Jesus and HS. Spending time with your team, Archangels. Vetting your team. Speaking to one another, building each other up, sharing your personal or spiritual concerns with a teammate.
- **10/7/11 – I sent this email to the team;**

I spoke with my Father yesterday He asked me to extend to all of you His special love, Jesus gives you His peace and HS sends you comfort. He also asked me to send you an email.

He said the team is in flux right now which means some are meditating, some are giving healings, and some aren't doing much. It is important that we all stay active. Please don't let this world lull you into a false sense of security and that nothing is really happening. MUCH IS HAPPENING!

Two weeks ago, Tuesday, September 20th, I bound Satan for six months in Heaven, a very long story. Just because he is bound doesn't mean his forces will let up, they are attacking us even more.

We are now on the offense! I have instructed Michael and Lexous that as of that Tuesday we will continue to attack every city on every continent until all demons have been destroyed and we will now liberate 200 realms a day!

I am asking all of you to stay active. Please continue to meditate. Have your team give YOU a healing and when someone needs our help give them a healing. Always remember that you are NOT ALONE! And I am always here to help you. If you feel you need a healing, please let me know and I would be more than happy to give you one in person or over the phone. Please stay alert, if you start to get depressed, sad or feel the as if you are being crushed by this world then please contact me and we will talk and I will help you!

**I love all of you very much and I thank my Father for all of you!
Love,
Supplanter**

- **9/9/16 Team Meeting**
Father said; This past Monday Triland gave StarLight a healing wherein the Three of us attended. Jesus shared with the two of them that they and you are pushing a cart filled with coal up a very steep mountain side. Each piece of coal represents an unfinished soul. In time those lumps of coal will be formed into perfect diamonds that I will adorn my Kingdom with. This again is part of your task, the Bride of Jesus. I know that it is very difficult for you to accept and love mankind the way that they currently are. I am not asking you to do something that is impossible. It is through love that you too will learn to love all of them, to not judge them, to see them as I see them. They are all broken, lost and mislead souls.

All of you are the compasses that will bring them back into the light. You will restore all of them into the truth and you will show them how they can reach the Three of us. See, more has been revealed to you today about your future task.

1 Thessalonians 3:11-13 New International Version (NIV)

¹¹Now may our God and Father himself and our Lord Jesus clear the way for us to come to you. ¹²May the Lord make your love increase and overflow for each other and for everyone else, just as ours does for you. ¹³May he strengthen your hearts so that you will be blameless and holy in the presence of our God and Father when our Lord Jesus comes with all his holy ones.

- Are you still focusing on two of your short-comings?
- Your tests are yours. I will not fight your battles for you. Father is trying to get your attention or trying to get you back in the game. Every one of us gets attacked. We need to stand and fight. If we can't protect ourselves and our families how can we protect the Bride. All of this is part of our "Schooling".
- Protect your home. You look/feel, clear it first, then your lead will stand
