Father said; **My very dear team Triland. For the past few weeks much has transpired. A new demon has appeared to complicate things. I now open all your eyes to see them. Make no mistake, Satan makes plans and because Triland bound him his Generals were told to send out these demons. They do not wish for amnesty so if you encounter one of them your sword will be required.**

Your lives have become a bit complicated, work, personal relationships and church. It is through strife that character is built. You are all stronger than you think. You possess all that you need to overcome these trials. I will now speak about your behavior and language as you go through these trials. Beloved, how you act and the language that comes out of your heart is a direct reflection of your heart. I have spoken to all of you about swearing. It is a great offense to Me. And when you become angry and use this language it shows Me that you are not in control of your emotions. I will ask you to once again try harder. Do you forget that you represent My Son and He represents Me? In the future, what will people say about you after My Son is announced? Will they say, "Yes, these are a Godly people." Or will they say "These are a Godly people?!" It is ever so important that you are always aware and mindful of WHO all of you are. See your parent's voices are ringing in your ears. I know it is not an easy task to control one's emotions, but I have faith in you that you CAN do this. Please.

What has transpired with the Apostle Orlofski you may ask? He is currently "on the fence". The Holy Spirit has been spending a lot of time with his heart. Because My Son has done what I have asked of Him by not saying a word and remaining silent through this whole time it causes a pause in Karl's heart that perhaps MY Son is who He says He is because of His conduct. Once again team it is all about conduct. Do not misplace "conduct" with My concern about "what people think". You are to become the mirror image of My Son Triland because He is the mirror image of Me. Handsome, striking and has a wonderful sense of humor like His Father. I thought we could use a little humor at this point!

I know that My Son's announcement weighs heavy on some of your hearts. You think, "What if He is not announced, then what?" Again, I will tell you that I will announce Him Myself! What I do not think everyone including this world understands is this. From the time, I made man they have always thought that I am willing to compromise and change for them to make them happy. This is just not true. Oh, there are times where I have stepped back to allow man to fall and see the errors of his way. But I will tell you that My Will, is what is served! And My Son's announcement will happen this June. How can you be so sure? Did I not allow the Cubs to win this year? Proof positive that I exist! Yes, a little more humor.

I have shorted the time as much as I will. The "pruning" of the "churches tree" is at hand. So many members and leaders serve only their will and feed their egos at the expense of my children's hearts and souls. I HAVE HAD ENOUGH! Do you have any idea the amount of prayers I receive from broken hearts? From strong hearts whose faith has never waned and now it does in their twilight years. All of this breaks My heart. OR the prayers I receive from younger hearts telling Me what they want to see and how things should change. PLEASE. Who do they think created them, themselves? For millennia man has always forgotten his place on this earth and all that I have given him. They have become self-centered and selfish. They kill each other and destroy all that I have tried to give them. See "Old Testament" God is alive and well! I will have My will served. And if I need to interfere with mans plans I will do so as I please.

This world really has no idea how much pain, destruction and devastation I have held back from them. I created Triland and all of you to protect the Bride and keep her safe. Not only from Satan but from man himself. The time is short and the fall of the United States is but off in the distance. When that happens there will be much chaos and conflict across this world. But you Guardians with the help of the Apostolate will bring clarity and peace into many hearts that still wish to love and serve Me. Many of the leaders, brothers and sisters that you currently serve with will leave. But new souls will enter in. They will no longer have any preconceived ideas about faith. They will cling to the altar. ALL OF YOU WILL TEACH THEM ABOUT US! You will teach them and bring them to Me, as you have done in the past through healings. Are you all starting to get a "Bigger picture" now of your tasks? I know that I have been a little harsh in this address to you; it is the truth of how I feel.

Rarely do I express MY feelings to you. You are my children, My Guardians and YOU all MUST know and understand YOUR Father's heart too. And you do. Do you really have any idea how much I love all of you?! How so very proud I am of all of you! Look at all that has transpired since you took, as my Son would say, A "foolish mortal's" path by accepting a position on this team. YOU HAVE ALL DONE SO MANY WONDERFUL, LOVING THINGS IN MY NAME FOR OTHERS. Thank you! Thank you for allowing me to mold all of you into who I need you to be. Yes it has been painful, but I have healed your broken hearts too.

Now team, stand strong. Do not waiver in the idea of My Son's announcement! Stay true to Me and all that I have told you. Help and serve along in your congregation where you can. Protect the Bride, love her, support her and help teach her, do not judge her. It is by your example that many will learn and remember the conduct you portrayed through tough times.

Know always that I love and support all of you.

Does anyone have any questions or comments?

Where does the bible talk about swearing?

James 3:9-12 "With the tongue we praise our Lord and Father, and with it we curse men, who have been made in God's likeness. Out of the same mouth come praise and cursing. My brothers, this should not be. Can both fresh water and salt water flow from the same spring? My brothers, can a fig tree bear olives, or a grapevine bear figs? Neither can a salt spring produce fresh water."

Colossians 3:8 ESV

But now you must put them all away: anger, wrath, malice, slander, and obscene talk from your mouth.

Matthew 15:11 ESV

It is not what goes into the mouth that defiles a person, but what comes out of the mouth; this defiles a person."

Luminance, how are you feeling.

When we share an experience it isn't to draw attention to ourselves but to the experience so that we all may learn from it.

New large demons? Add one Warrior Brigade angel; you need another sword on your team
If you replaced a team member, please email me your complete team. Why are they corrupt suddenly? They share a brotherhood, they can be influenced too.
