Excused:

Father, Jesus give you Their love and I give you my peace.

Father said; **My very dear team Triland. Over the past month many changes have taken place to assure the success of this team and my plan. Many hearts have been broken and soiled. Some of you realized where Satan was influencing you and causing confusion. Others refused to see past their own need for self-importance. Instead of humbling themselves they decided they knew better than Me and my Son and because of this action they have been permanently removed from the team. I can tell you that this was not an easy task for my Son to make. No one's heart was broken more than His.**

A few days after this action took place I told him that the evil was now removed from the team and He could now move forward with confidence and security with those who remained and were recently added. I must share with you how I feel about all of this.

Through time I have always tested the hearts that have served Me and in this instance I have done the same. I needed my Son to see the hearts of those on the team as I saw them. Unfortunately some of the hearts were corrupted and full of evil. They let their own pride and ego take over and began to listen to Satan and all he was telling them. I can also tell you that this was going on for a while, not just a few months. I know that this is difficult to accept. They were your friends, comrades and many of you fought together side by side. None the less I expect your hearts to only serve Me. My Son has taught all of you well to discern what is around you, to understand what your heart is telling you and to always trust your gut feeling.

This is a new year! It is now a new beginning. The team is secure! It does not matter how many years you have been on the team or how short your time with the team has been. ALL OF YOU WERE CHOSEN BY ME, FOR THIS WORK TO HELP AND SERVE WITH MY SON FOR ALL OF MANKIND'S SAKE. Oh I know that is a bit overwhelming to hear.

Beloved you are no different than those who I chose in the past that you read and hear about in the services. But yet you are all very special to Me.

Now let us all join our hearts together in oneness and in love. Let us learn from the past and leave it there. My Son will share some details with you about all of this and expound on a few things in the meeting today. When He is done with this topic I would kindly ask all of you to forgive those who were removed. If you still struggle with forgiveness towards each other then come to Me and we will talk about it. Grace is the salve I give that heals all wounded hearts. I have plenty of that for those who seek it.

Know I have bound all you together with a special love that all will now see. When you are together in a meeting, together spending time or you speak to one another you will feel different towards each other. No animosity, no jealousy, no competition, just respect, admiration and pure love for one another. This is what the world needs to see from ALL of you. You are not of this world. I gave you an energy that is completely outside of this creation and all of you have become a new creation. You are not better than any soul. Your responsibility is greater just like those who have served me in the past.

Remain humble, small and meek towards Me, my Son's and your fellow teammates. But at times I need you to be like my Son, "The Lion of Light" who roars and warns the world as He protects them and helps them to understand My plan! You are His friends. You are here to serve one another and protect each other. Together you will stand as one heart protecting billions of souls, living and in the Beyond. The world will scorn and scoff at you, but I will raise, teach and protect all of you!

Satan's greatest wish is that more of you will fall. He has done this now with your fellow teammates. DO NOT GIVE HIM AN EAR. SEARCH YOUR HEART AND SEE THE TRUTH IN ALL THINGS. I have given all of you this ability, now use it.

Be strong, wise and even cunning against our great foe! Be tireless against this fight and never waver in your determination to help bring my Son's bride home! My love for all of you is greater than you will ever know or understand, but I do think now you are starting to realize just how serious all of this is. There are NO GAMES! THERE IS NO MORE TIME! I need all of you to keep your word to Me, trust in Me and serve Me. I am always with you and will always love you.

Welcome – Jeremy (Atmos) and Derek (Nucleous) to the team!

Play game – Who is this Healer?

I had a meeting last week with Tricous and Brilliance your Generals. We discussed my expectations in helping all of you. They are your supervisors. Again you can always reach out to me at any time. We will be speaking with each other every week and have a meeting once a month.

- 1) They will periodically be contacting you, or please contact them. We need to stay connected.
- 2) Please talk to any General you feel has the experience to help you. (NO COMMUNICATION)
They will ask you direct questions in an effort to get more info, they are not playing games.
- 3) Please don't use Healers names outside of the team or those in our circle of friends, people are not always aware of who and what we are doing.
- 4) Don't let anyone outside of the team influence you and tell you how a healer should be.
- 5) Don't give Satan any room to twist something that you say when speaking to a teammate

Our meeting will now have an added format. I want it to be more interactive. DA Kolb's point – It's easier to listen than to participate. We are all learning from each other, Even Me! Some of you share your experiences. Please don't hesitate to ask questions during the meeting. If something isn't clear ask.

Share information about past teammates – It may be hard to hear some of these words. I am not using this moment to tear apart anyone. I am using this as a teaching moment. DO NOT LET SATAN TWIST THIS! Organization keep info to themselves, this causes rumors, innuendos and lies. I believe in full disclosure.

Lori and Kira left because of the time commitment and new demands.

Stacy and Sydney – Pride and Ego

Many conversations took place after they were removed. There were things Stacy said and did that were outside of what I taught. Plus many of you had "strange feelings" about her. I need all of you to have the courage to bring things to my attention when something feels wrong. I will never use your name. This is not about ratting each other out; it's about protecting one another. PLEASE!!!

Ego and pride – Father chose you because He gave you the ability to keep these in check!

MATTHEW 20:25-28 (NIV)

Instead, whoever wants to become great among you must be your servant,²⁷ and whoever wants to be first must be your slave—²⁸ just as the Son of Man did not come to be served, but to serve, and to give his life as a ransom for many."
