Father, Jesus and HS all give you Their love. And I give you my peace.

Father said – Hello Team Triland and spouses. What a wonderful Service for the Departed last weekend. Again, thank you for all of your love, prayers and support. Please continue daily remembering all them.

What shall we discuss? How about all your efforts that you have been making personally on yourselves? Your daily reflection of the good things and the bad things that you need to work on. Many of you have been daily reflecting inwardly at the end of your days. You ask Me to help you improve and change. And I am so very proud of you for fighting your own natures and overcoming them. Congratulations. Do not stop trying.

Now what of the leadership in the church? Many hearts are disappointed with the changes that have taken place over the past few years. HS has been trying to change their hearts to see that main-stream Christianity has no place in our church but they are not listening. Many long-time children of Mine have left or are thinking of leaving because it causes such an irritation before the services. I wish no one to ever leave. Therefore, I will move their hearts more by showing them the error of this way.

They look at the numbers but none of these guests truly understand our faith. This is the Apostles' and brother's fault for not teaching. We are not here to make everyone feel good. We are trying to raise the Bride of Christ. Tell me, would you want to marry someone that does not understand and except you for who you are? Would you want to marry someone that is clueless about your heritage and beliefs? I think not!

But the brothers believe that this is acceptable in My eyes, it is not! I will ask all of you to step up. If you see a guest in your congregation can you please make contact with them? Try to befriend them. Ask them over for dinner and then ALL OF YOU can teach them. You all know your faith, My will and your hearts are filled with love and compassion for all. Please?

Now please stay the course. We will start to learn some new things at these meetings in the future. I will not steel Triland's thunder today. I am excited that He will be adding this to the monthly meeting. Have I intrigued you?

Hmmmm? Good! It is important that all of you continue to learn and build your understanding.

Let us look back to 6 years ago when these meetings started. Have you learned anything over that time? You sure have. I have enjoyed watching all of you learn and grow. I am so excited when all of you share your experiences with each other. You have all laughed and even cried together at these meetings, which is why this time is so important. Thank you for making the effort to join the call each month. I have blessed all of you for this effort and I will continue to bless all of you for the future. Your Father is proud of all of you and loves you very much!

Does anyone have any questions, comments or something they would like to share?

-
- LightStar's dream about sin
 - After you have your sins forgiven bask in that moment, this is one of the purest moments we can hold onto.
 - Holy Communion; ask for virtues in the Communion

What is judgement?

1. An act or instance of judging.

2. the ability to judge, make a decision, or form an opinion objectively, authoritatively, and wisely, especially in matters affecting action; good sense; discretion:

A man of sound judgment.

3. The demonstration or exercise of such ability or capacity:

The major was decorated for the judgment he showed under fire.

4. the forming of an opinion, estimate, notion, or conclusion, as from circumstances presented to the mind:

Our judgment as to the cause of his failure must rest on the evidence.

5. The opinion formed:

He regretted his hasty judgment.

6. Law.

A) A judicial decision given by a judge or court.

B) The obligation, especially a debt, arising from a judicial decision.

C) The certificate embodying such a decision and issued against the obligor, Especially a debtor.

7. a misfortune regarded as inflicted by divine sentence, as for sin.

There is a difference between a judgement and a statement of fact. Such as; "I wish those people would work harder to help me". This is not a judgment. But if you said; "I wish those stupid idiots would work harder to help me". This is a derogatory comment and a judgment of their abilities. Do you see the difference?

- Run through how to POG for spouses
- Speechnotes app / For Droid & I-Phone

OPEN FORUM. Things you are struggling with, no judgment. Does anyone have any questions, comments or something they would like to share?

Our next meeting has been changed to **Sunday**, April 15th at 6:30 PM EST. My family and I will be flying back from Spring break on April 8 which is why I change the date to the 15th.
