I give you my peace.

*******Opening prayer*******

Father said: **My very dear children. What shall we talk about this evening? How about you.**

Struggles and hardship are all part of becoming a Guardian and a Bride. Life without hardships is a life unfulfilled. It is through the difficult times that I can show YOU what YOU are made of. You prove nothing to ME for I am the one who created you and laid into you your gifts, strengths and shortcomings. I therefore Prove YOU to YOU!

All of you are more than the sum of your experiences and life. How is that statement quantified? I will simply say, "You ain't seen nothing yet!" You have many GIFTS inside of you that I have not even unlocked yet. I speak to "ALL" of you not just the Guardians. I need all of you in this task.

Now with all of that said, I expect more from you than others. I have said in the past, I have taught you more and have enlightened you more than others. You hold knowledge in your hearts that others would love to know. Sometimes I think you take that for granted. Please do not.

I ask this of you now. Do you long for these meetings? Are you excited to spend time with Me and My Boys? Do you understand just how special this time is for ME...AND you?! I cherish this time. Do you prepare for the meetings as if you were preparing for a class? Do you think about what you would like Me to share with you? Do you ask Me questions? Maybe you did not know that you could. This meeting is a little different than a service. You are closer to me and I open up to you more.

I do not hold back, I pour my heart and blessing over you because it is my pleasure to do so.

Have you figured out just how special you are to me and hold I hold you in my heart? Maybe you do now? Do not ever forget this!

The time that is coming around the corner when the church will be split in two and broken is closer than you think. I do know that in this current time the USA services are lacking even more. Tune into the Canadian services, there is meat there.

The US Apostles are lost; they are being influenced as you can feel. I am allowing this. They SHOULD know better!

Do not think for a moment that I would allow one of my children to fall. The foundation was laid years ago. As I said before, if it does not feel right it is not right. The soul knows because I know. Your souls, mankind's soul are ME! I am the truth; I am love and kindness. Most souls try to bury and ignore what they feel. You fight! My children are fighters! The Bride is a warrior who will fight to overcome themselves.

Life is not easy, life is difficult, but life is also filled with joy, happiness and love. You are what you seek! Do you seek after me or the world? Where is your joy found? Is it not found in serving me and others?

I always tell you that I love you more than you will ever know. Also know that I care about your development, schooling and the path I create for you to walk on so that you will end this task on the day WE are found in a "Fatherly" embrace. I love you more!

Does anyone have any questions for Father? Any comments or something they would like to add?
