Your Heavenly Family all give you Their love and I give you my peace.

Father said;

I need all of you to know how much I love you. So often in the past weeks you have expressed your love to me and I want to return that to you as well. All of you when you speak to me have such a love in your hearts that you always melt my heart. I appreciate the time you take to express your love and praise to me, so I wanted to say thank you.

All of you are a bit weary are you not? The fight has become aggressive once again and Satan has not stopped to even let you breathe. I am proud of all of you. You stand up to him, you are aware of your surroundings and you fight him off. Your efforts are not in vain. All of this is the precursor to the future. YOU all will be ready when I need you to be. You will be wise, strong and even cunning against him and his forces. Never back down.

You also have heeded my word about loved ones and friends attacking you because of the prompting of Satan. Remain wise in this and always remember that YOU are well informed but those around you are like little children who know very little about the two worlds you dwell in.

Take heart Team-Supplanter; know your Father is always near you. Know your Brother Jesus stands by your side through all. And always remember that HS will give you knowledge in all circumstances and bring you comfort in your need. Please continue to remain strong!

Any questions?

Tom's email April 10, 2014;

I had indeed hoped that by now I might have been sufficiently "well" to **properly** thank you for **all** you have done for me – particularly most recently by engaging Ap. Orlofski to fully exercise his ministry to

- loosen me from all the evil that was binding me and
- casting out all the demons, spirits, curses, etc. that possessed me.

But I now realize that after 5 decades of evil – the last 5 years of which were the very worst – my situation could probably be compared to a life-long addict from whom the "food" for his addiction is suddenly taken away permanently: I'm suffering from severe "withdrawal symptoms" and it'll likely take a long time to recover. Therefore even this "preliminary" note will likely seem to take forever to complete. Consequently, I'm very sorry that for now I'm only able to convey a very plain and simple "thank you" that is more genuinely sincere and heartfelt however than ever for doing all that you have done for me, and having the courage to advocate for me and ask Ap. Orlofski to do what he did.

Many ministers today forget who they “work for”: They are not ministers of a church, but are disciples ministering **for Christ** and, in the case of the apostles, **in His stead**. I’m also deeply thankful that he demonstrated so clearly and fully that he truly **is** an apostle of Jesus, not merely another church minister.

May our heavenly Father bless and reward you, your loved ones, everyone on the “team”, and all others who contributed to this far more richly and abundantly than you and they could ever hope for or imagine for all of this and all that you and they also have done and continue to do so genuinely and lovingly for others. Please convey this to all those who never stopped praying, trusting, and believing, and helped to make this possible as well.

With much more heartfelt love, appreciation, and thankfulness than the very best of words and deeds could ever express and convey,

Your friend always, come what may,
Tom H. and family

P.S. My main concern was never for myself, still is not for myself, and will always continue not to be for myself, but the millions – perhaps billions and trillions – of other possessed souls who would never be helped because demons, demon possession, casting out of demons, etc. are not part of the New Apostolic Church’s “Lutheran” doctrine, as are various other aspects of Christ’s activity and teachings. I would gladly have met my eternal fate if perhaps thereby these souls could also

- be redeemed,
- be taken as part of Christ’s worthy bride at His return, and
- Hence not be deprived of eternal life because of something far beyond their control.

I sincerely hope and fervently pray that you and all those on the “team” empowered to do so may be able to help these souls, most especially if the Church – particularly the chief apostle and the apostles, excluding Ap. Orlofski and other like-minded, like-spirited, and like-hearted apostles – will continue **not** to.

We now liberate 70,000 realms a day.

You can play the recording of Tom being released from the demon to your spouses.

Ask Father to forgive the sins you are not even aware of just like the Apostle did for Tom.

New Team Lead cycle? For a two week period all those on your team will take turns being your lead angel. How is it going? If you would like to keep someone in that slot longer than two weeks that is your call. Would anyone like to share any experience?

Next meeting is Friday, May 23 at 6 PM CST.

Gift for Father?
