Father, Jesus and HS all give you Their love and I give you my peace.

Father said; **with great love I greet all of you. The tide is now turning once again. Evil is in the process of taking another stronghold within this world. But you should fear nothing for I am with you. Your hearts pain you because of all you see and feel. At times you think to yourselves this is all so impossible. Can I really make a difference on this team? I tell you yes YOU can and are. You really have no idea the lives all of you have touched by your example of faith, courage and perseverance. Never think that you are not watched. Eternity sees all of you and is drawn to you because of the light I have put in your hearts. Those around you are watching you as well. You are grand examples of love and are wonderful servants.**

Please do not get discouraged in the coming days. Times will grow dark and bleak but the light you carry will shine and attract the lost souls that seek me. Are you now getting an idea of what your roll is for Me? You are my beacons of light in this dismal world. Shine on my servants, shine bright!

Yes I know your hearts feel fear at times and worry. It is okay to feel these things. I once again will give you strength. My Son Supplanter will give you strength and encourage you as well. He is here to help all of you. Lean on him. He is stronger than even he thinks. Do not hesitate to contact him with your concerns. He certainly has some free time right now. I do not think any of you know how much he loves, pleads and speaks of all of you to Me. He is so very proud of all of you. He is your true friend.

Why am I sharing all of this with you? Some of you have waned in your commitment to Him and the team which I do not hold against any of you. Do not let Satan sift your heart and fill it with doubt. Has my Son asked you to do anything for Him? He would never ask anything of you for himself personally to gain one thing. This is your proof that He is my Son and not some flake or false prophet.

The time is now going to move forward with great speed towards evil and all Satan has to offer. Be on your guard. You are not naive or foolish to his plan of destroying mankind. Continue to be the beings I have created you to be. Look up the meanings of your names; it will give you insight and peace as to why I gave you those names. They carry great weight and power. Believe that you are who I say you are.

Now be strong, know always you are loved and protected by Me and your team. Stay strong, stay connected and I will bring you all through this together!

Jesus told me two weeks ago that within the next two years I will be announced.

Things are going to change for all of you. Father is molding all of us. He will give you more experiences to prove to you that you do hold His power and authority. BUT YOU MUST BELIEVE!

If you are having a difficult time meditating then it's time for you to ask for a healing. Ask me, ask a teammate.

If you are overwhelmed and need a break ask.

Anyone have anything to share?

Brilliance will now share with us an experience she had with her sister about the Ap. Orlofski.
