Father, Jesus and HS all give you Their love. And I give you my peace.

Father said – Dear Beloved. Welcome, I give you My peace. This will be a short presentation or dictation from Me tonight. It has been calm the past few weeks for most of you. I ask this question. During this time how active have you been? Are you still protecting the Bride? Are you still vigil and attentive to the souls needs around you. Please never forget your responsibility.

My Son will tell you that He has been in pain as of late. He tore his meniscus and because of this he has had a hard time focusing. Truth be known, He completely forgot that we had a meeting tonight. Please forgive Him. He is human.

He does however have a few things to share with you. See, He still prepares these meetings for you weeks in advance. He was typing out My message a few minutes ago. This, I believe is how one throws another one under the bus, per say. Ha-ha.

It will be fine. Blazer and Brilliance have another religion presentation for you. It is very important that all of you know and understand the other faiths on this world. We do not judge, we will educate all of them in the future.

I know that some of you have had difficulty sitting in the services. My Son a few weeks ago made the comment to Me that our hearts do not burn any more while we sit in the services. We are not pumped up about our faith when we leave. I will say that this is a true statement.

How now do we fix this? With patience, with prayer, with love and understanding towards the brothers. Not judgment. Plainly put Beloved the Holy Spirit is not always active in the hearts of the brothers who serve. There is currently another spirit that has infiltrated the church under the guise of "Mainstream Christianity". Oh, I know some of you doubt this. You feel that the church needs to change to meet the needs of the people.

I will ask this question of everyone. When will MY needs be met?! When will My will be served? This is not a game of numbers; I am not interested at this time that the seats are filled to compactly. I would like these souls to understand their faith. NOT be entertained. Do all of you understand what I am saying? I have had enough. I told you last month that I will slowly start to move the brother's hearts. I have already done this. Watch now as the pendulum that has swung all the way to the left will swing back to the right and stay in the center. What is the center? It is My heart, My love for mankind and MY WILL.

Stay active. Never let your guard down, be vigil and protect one another. Some of you spouses have your doubt about My Son Triland. Has he made you a promise that I am not aware of? I will announce Him when I decide the time is right. And that time is not now.

Look at your own hearts. You allow other spirits to tell you the opposite of what I tell you and My Sons tell you. Be careful. Just because Satan is bound does not mean that he is not active. Watch!

Come to Me and talk with Me and I will give you understanding and comfort. I love all of you.

Does anyone have any questions, comments or something they would like to add?

-
- Brilliance and Blazar – presentation on the religion Judaism
 - Father asked me to bring this subject up. Our language. Are we still swearing? Even if no one is around? Yes, boys even when you are playing video games it is still unacceptable language.
 - Fatherisums

Stay the course. I say this all the time. But what does that statement mean? It means that you should never get discouraged and allow Satan to cause your faith to wane. Never take your eyes off the goal, see beyond the moment you are suffering in and look for the bigger picture that is your future.

1 PETER 4:12&13

¹² Dear friends, do not be surprised at the fiery ordeal that has come on you to test you, as though something strange were happening to you.¹³ But rejoice inasmuch as you participate in the sufferings of Christ, so that you may be overjoyed when his glory is revealed

Many of you ask, "Why did He pick me?" I will tell you now. When I looked through all the ages, through all of the souls I would create. I handpicked a few that I in time would call My "Guardians". I placed in them everything they would need to complete this task. I knew they would love Me more than themselves. They would be willing to sacrifice everything to help serve and they would try to see beyond mankind's shortcomings and help save them. They would be selfless and share in a love with Me that I do not share with all. And here is the most important trait. They would do everything within their power to complete this task no matter how hard things become and they would not FAIL ME!

Gold is tried in the fire of adversity and my Guardians have been tried on many a battlefield.

I expect all of you to shine brighter than the largest star in any Universe! To catch and captive all of mankind so that when the darkness comes and fills many hearts those who seek after the light will find it in YOU! Shine brightly Guardians! Protect the Bride! Defend the Apostle's and help bring this plan to an end!

- **Please remember Brad he had his gall bladder removed last week. Aquos tore his MCL last February; he finally had an MRI this past week. I tore my meniscus and I am hoping to have an MRI this week. Does anyone else need prayers?**
