

Team Meeting notes – Sunday, July 12th at 5 PM CST

Attendees: Tricous, Atmos, Tranquility, Quasar, and Triland

Excused: **Nucleous**

Absent: **LightStar, Brilliance, Blazar**

Father and Jesus send you Their love. I give you my peace.

Father said; **Dear Team Triland. I know that many of you are frustrated with the present attacks from Satan. He has turned many family and spouse's hearts against each other. I know that many of you are struggling with health and financial issues. These will all come to pass shortly. You can control yourselves and learn from these experiences.**

The time is short and soon my Son will be announced. In some of your hearts I see doubt. I will ask you this question. Why would I have my Son go through all of this; train, teach, give you power and authority and a list of priorities pertaining to our church and then I would not let anyone know outside of this small group? I assembled all of you and gave you to my Son for this purpose. Stop letting Satan play with your hearts. None of you will be the "FOOL".

I have another question for all of you. If approached by the church or world would you deny my Son? Or would you stand up for Him? Many that have left the team did so because they would have denied Him. Beloved, you need to be strong. The world will come after you. I have told you time and again that I will keep you and your families safe. Do you not think that I have all of this covered? Stop doubting. Stop worrying. I have all of this in my hand.

We cannot dwell on the negative things that may never come to pass. Dwell on the positive things. Such as; helping others, serve others selflessly. And be the examples of faith that I have chosen you all to represent. You are all kind, loving, supportive and thankful for this opportunity to serve Me and mankind. Oh I know your hearts and that you try to love mankind but you are all very much like my boy Triland. Yes, I am aware of what mankind does and how they treat each other. You will show them how ALL OF YOU TREAT EACH OTHER OUT OF LOVE. Judgment is reserved for Jesus not all of you.

I have given many of you numerous opportunities to step down. This option is no longer feasible. Four more healers must be added to the team before my Son's announcement. They will be added almost under the wire. I love you, my Son's love you. We all need each other to help complete this task. Yes, you are all that important to my plan.

I know you still have unrest because of team members that have left. There is nothing you can say or do for them at this time. Pray, pray, pray. Satan has sifted their hearts like wheat falling from the chaff. My heart is broken for them as well. But they are making their own decisions. And do not think for one moment that they have the ability to affect my plan. I will not allow this!

Control your emotions. See beyond the spirits that twist your loved one's hearts which cause them to verbalize hurtful things. Know your enemy. He is cunning and deceitful.

He knows all of your weak spots and he will not stop monopolizing them to hurt you and your loved one. You are not his puppets are you? Take a deep breath before you react to what is said to you. Close your eyes and see what is motivating your loved one. You can do all of this before you speak one word. You know Satan and his very well too. You know how he thinks and acts. You are stronger than he is. Show him that you are. We are not provoked by evil ever!

I am proud of all of you. Many of you have poured out your hearts pleading with me that you cannot take much more of the trials I am putting you through. Please know that it is not easy for me to watch you suffer, but you are also fighting. Not just for yourselves but for the future of mankind. Each trial you fight for brings you closer to understanding all that mankind will face. You are all being "SCHOOLED" now. You can do this. Again, I have all the faith in you. Now do you have all the faith in ME?!
