Father, Jesus and HS all give you Their love. And I give you my peace.

Opening prayer.

Father said: Hello My Dear Team. Many hearts are starting to stray away from Me. Who are these hearts that I am speaking about? Many in our church and many in the World. It is, as though many have lost their faith and would like a quick fix to the problems in their lives. This has never been a course of action for Me. Life is precious, it must grow slowly to be an effective way to bolster growth within the soul. Many just do not understand this fact.

When I created each soul, I laid out a “time path” for that particular soul in order for it to find its perfection. If a soul stops, or turns away from the path, they stop growing. And because of free-will I cannot interfere, mostly. I do however try to guide that soul back to the path, but many resist and chose to follow Satan, his “easy fix” solutions that are very false in nature. He has been doing this to man since man was created. This is nothing new to all of you.

Now why am I addressing this? Many in your own hearts are doing just this. Do not act surprised. I can see you, the real you. Many of you think you are not doing this. I will ask this of you then. Do you still serve Me with the excitement you had when My Son started your training? Do you still get excited about attending these meetings and meditating? Do you find joy in giving a healing or holding a meditation class or simply just mentoring someone? Remember I can see your hearts.

If you cannot answer “yes” to some of these, then you too are straying off the “Guardians” path. I have in the past warned all of you to be vigil. What does that mean? *“It is a period of keeping awake during the time usually spent asleep, especially to keep watch or pray”*. Do I think that even though your eyes are open and you are moving, you are not asleep? Not all of you, but many of you are sleeping.

Why is it that you have time to take care of yourself and your needs but you do not have time to serve Me as a Guardian? Is My business not that important to you anymore? This is why I am bringing this to your attention.

The midweek services and midweek experiences are lacking most of your presence on a monthly basis. Triland will speak to this later.

Beloved, are you waiting for something catastrophic to take place and that will be your cue to get to work? I have news for you that will not be happening now. I have given all of you time to grow, just like any other soul. But again, I have placed on you much responsibility. But, I have given you; strength, wisdom, insight, understanding, patience, and much love to carry this task.

Some of you ask Me for direction and guidance. Recently one of the Guardians came to Me with just that request. I placed them in front of a fork in the road. There were two paths going in two different directions. I told them to choose. And once they did I would guide them no matter what path they picked. BUT THEY HAD TO CHOOSE! I will not live your life for you. Triland will expound a little on this as well.

Please, please do as I have asked of you. If there is something that you do not understand and you are uncomfortable speaking or asking about it on the call, please reach out to Triland and He will help you. He will not chastise anyone. That is not why He is here. He and you are all teachers! Give Him the opportunity to teach you.

By the way, all of this has been resting on Triland's heart for some time now. He was uncomfortable with the idea of addressing all of this with you. This is why I have told you.

He loves all of you very much. Even in the past few weeks, has He not reached out to you in love? He tried to tie all your hearts together via an email with well wishes, peace and a blessing from Me. Do not take these moments for granted. His heart is born out of My heart. When His heart breaks or aches so does Mine.

Now I give all of you; strength and I shower you with My love so that you may move forward and make choices in your lives to serve Me.
