I greet all of you in love and I give you my peace.

Father said – My dear team. You have all grown since last month. I am proud of all of you. Everyone is now finally working and doing something. My Son today will discuss with all of you what it means to be a servant and a priest. Yes I just stole His thunder.

For the past 7 months I have been encouraging all of you to be active and maybe you thought I was being too hard on you. Have I ever been easy on anyone whom I have asked to serve Me? Have I not been more of a Father to those who serve Me? Yes this is why I prod, push and even have dragged some of you along. I wish to no longer do that.

My heart bears much love for all of you but with that love will always come an expectation. What is that expectation? To serve Me and my children, here on the earth and in eternity, Guardians.

What is the definition of a Guardian? Let us see now what Dictionary.com has to say on this subject. My Son Triland will take it from here. Triland?

Guardian / [gahr-dee-uh n]

1. a person who guards, protects, or preserves.
2. a person who is entrusted by law with the care of the person or property, or both, of another, as a minor or someone legally incapable of managing his or her own affairs.
3. Guarding; protecting: ***a guardian deity.***

Did you hear #3? My Son will repeat it now.

3. Guarding; protecting: ***a guardian deity.***

A guardian deity? Well now we must see what Dictionary.com says about the word "Deity", Son?

deity - [dee-i-tee]

1. a god or goddess.
2. Divine character or nature, especially that of the Supreme Being; divinity.
3. the estate or rank of a god:
4. a person or thing revered as a god or goddess:
5. **the Deity**, God; Supreme Being.

Please let me expound on this. I have chosen all of you, I am the Supreme Being. Let me have my Son read #3 one more time for you.

3. the estate or rank of a god:

Beloved I am trying to raise you to be with ME. Many times you are asked to be like Jesus, He is ME, He is God. You are all a small piece of Me therefore all of you are Me as well. Please do not let this go to your heads thinking now that you are greater than Me or others. You do know what I am saying. Always remain humble and I will use you to help others.

Why am I bringing all of this up? Once more I feel we need to get back to the basics here. You are all My servants, Guardians I have entrusted you with much. But I have also given you much to carry out My plan. I have given all of you special gifts and talents outside of others.

Recently your Generals have been asking you to find and discuss your gifts with each other. Not to show off but to make all of you aware that you have gifts and all of you have different abilities? Right? No one is greater than the other. I will continue to preface that!

Also some of you have more gifts than others because you can bear more. Please remember the parable Jesus told of the wise servant. Do not be like the foolish servant who buried his talent, it was taken away from him and given to the one who worked hard. Are you getting it now?

Peter Parkers Uncle said; "With great power comes great responsibility". Yes I just quoted a movie. I like movies too. This was a very wise saying, hold onto it. You are some of the most powerful humans on the earth and yet you act the way you do. Do not make any more excuses to Me. I am not going to continue in this vain because I have for the past seven months.

Please get to work. Learn more about yourselves, your gifts, spend time with US, your teams and with each other. And let us all grow together so that I can bring all of you and mankind home to share in My Glory.

Always know that your Father, Brothers and HS love and support you.

Does anyone have any questions, comments?

- StarLight – The realm of Condemnation

Condemnation – I felt hurt, despair, and disappointment. Knowing that we did this to ourselves and each other. Seeing all those souls, it took my breath away. Father said you will teach those around you not to judge. This is where most of us in the flesh fall short. You will lead by example and correct/guide others around you. The hurt I was feeling was a taste of what Father feels. Big or small, the judgment that is made can have a huge impact on a soul.

- 20 millions realms are now being liberated daily as of July 16th
- LightStar – suicide watch
- To be a Servant/Priest of Jesus Christ – Blazar, Q & Aquos

To be a servant in Christ means that you must surrender your life into His service. Your life is no longer yours, it is His.

Our next meeting is on **Sunday**, September 10th at 6 PM CST.
