Attendees: Tranquility, Blazar, LightStar, FireLight, LightStream, Brilliance, Fred, LightStarter, StarFire and Supplanter.

Absent:

They all give you Their love and I give you my peace.

Father said; **My dear Son's team. Thank you to all for remaining with Us on the team. For some of you it took time to decide and others it did not. My love for all of you has not changed. And now we can move forward as a team and complete the task I gave my Son.**

Once again I will ask all of you to not get discouraged with all that is transpiring throughout the world. This is merely the beginning of the end. I have all of you and your families in My hand of protection. Fear nothing!

Over the next few months you will start to see some drastic changes in the world. There will also be changes in your part of the world. Always remember that I am with you.

It is now the final time of my plan. For millennia I have been planning. I have changed my approach at times because of mankind. But my plan of salvation has always been; BRING THEM ALL HOME! You are MY special forces. In time I will send you into parts of this world to find, rescue and save souls. The current work you are doing will be magnified exponentially. You can handle it!

Please know that I will always test you. These tests are not so you can prove yourself to Me. You have already done so many times. I test you to show YOU the power my Son has given you from Me. Use your gifts; speak openly about ME and the future. Never back down from a fight! You are stronger than you give yourself credit. Show the world who you are. In time the whole world will know who Supplanter and His team are. You have been helping for years and many will testify of your accomplishments and miracles.

Also please know how very proud I am of all of you. Last month's meeting was not pleasant for ME either. But it was necessary to motivate all of you. Stay busy in the work. When you grow tired ask Jesus for strength. Never give up. Continue to work and I will bless you and give you all you need to finish this task.

I love all of you and thank you for your sacrifices, offerings and time. They do not pass by Me in vain. You are blessed and cared for. Now stay strong, healthy and always be wise in all you do!

Please know that we are like Doctor's. When we help a charge and they don't do as we have instructed them to do and things return to the way they were before we helped them this is not our fault. Firelight's Charge.

What does being "Sealed" with the Holy Spirit mean? Dating Jesus, build a relationship

Topics to discuss in a small meeting or strike up a spiritual conversation;

- 1) Where is God when you pray? How close is He to you?
- 2) How do you build a relationship with Jesus – conversations outside of prayer
- 3) What excites you about your faith?
- 4) Have you ever asked Jesus to help you? Bring your concern to Father on YOUR behalf.
- 5) Have you asked Jesus for extra strength in the Holy Communion?
- 6) Have you ever asked Father or Jesus how you can help THEM today?

FireLight, LightStream and Fred will share their new positions in the church
