Opening prayer

Father said: **My very dear team. It is good to see all of you.**

I would like to touch on ArrowStar for a minute. Triland and StarLight will expound on this after My message.

Brandon was more interested in his needs than the needs of the team and My will. This is why Triland let him go. And Triland will tell you that he was not surprised, in fact he was waiting to be let go.

As I have said in the past, every opportunity is a learning opportunity. I am not chastising Brandon in front of you, I am just bringing a few things to your attention.

He was one of the Guardians I have been addressing over the past months, trying to encourage him and others, to work, to fulfill your vow. To not sleep, but to be vigil and active. He chose to pick a different path. Again, you will hear more detail in a few minutes from Tri-Light.

I will tell you that My plan is moving forward, My plan of having My Son announced. Hmmm, I have not brought that subject up for a while. I have been moving a lot of hearts. Is it not funny that recently My son was contacted and told that some people in our church still have a problem with Him. And, He has not been doing anything as of late. Accept attending services and Mid-week experiences. All of this has been brought on by Satan. He is desperate. And unfortunately, certain souls entertain his will. He creates separation from Me and between My children. Triland took this information in stride and told the other person He did not care.

Why do I share this with you? Because in time all of you will be picked on, your names smeared, and your lives picked apart by the whole world. I have, and will continue to prepare you for all that is coming. Do not be discouraged.

Tricous reminded all of us of the team watchword a few weeks ago.

**“Have I not commanded you?
Be strong and courageous.
Do not be afraid; do not be discouraged,
For the Lord, your God will be with you
wherever you go.”**

Now, do not let that go to your head “The Tricous”!

I have told you that I will always be with you. You have nothing to fear in the future. You can ask My Son, how often while He was going through these kinds of moments that He felt He would never make it through. Only then to look back and realize that I was always there helping Him. And I will do that for all of you.

Look at Jesus’ Apostle’s in the first church. Do you think they had it easy? They did not! Jesus prepared them well.

You are stronger than the world! You are NOT of this world. Perhaps all of you have forgotten that I changed your energies? You are not made of the energies of the initial creation. You are different, a new creature I created for this purpose. Triland will expound a little on this later.

You have a glorious purpose. A rich future. All I need you to do is stay with Me and serve My will. Then My plan will be complete. The Bride will be called home and all of you will then have rest. Well, for a little while, then the 1,000-year Kingdom of peace “work” will start. And maybe, just maybe I will serve cake at My Son’s wedding...

Now remember to be strong and loving, just like your Father in Heaven. And know I love all of you very deeply.
