

My Very Dear Team,

*****THIS LETTER IS LENGTHY AND VERY IMPORTANT, SO PLEASE TAKE YOUR TIME READING IT. IF YOU HAVE QUESTIONS PLEASE CONTACT ME AND WE CAN DISCUSS THEM. Thank you. *****

I would like to thank Tranquility for sharing her heart.

I have waited these three days to respond back to all of you because I have been talking with Father, meditating and searching my own heart I need to clarify some things and make some very clear distinctions. My hope is that all of you know I am saying all of this out of love and my commitment to serve My Father's will.

Father is LOVE, and as Guardians, it is imperative that we love all souls. I have witnessed your love for souls and it is beautiful. All of you have touch a soul in a positive loving way.

The first thing I will remind everyone, is that we are at war. Since the creation of Adam, Satan has been at war with mankind. Not Father, mankind. Do you realize that it is within our time alone, now, that Father has given mankind the ability to defend, protect and even strike back at Satan and his forces? This has never happened in Father's history. Never! Why now? It is because we are all in the "End" Time! Mankind is more susceptible to evil than in any other time this is why Father created the "Guardians". That's right – YOU AND ME.

We are at war with pure evil creatures, not souls/human beings. Please understand this. Demons do not understand what love is. Angels really don't either. Michael and I spoke about this. They have no soul so, how could they? Love is born out of the soul. It is that small piece of Father that every human being is given to have Eternal life. Michael said that angels and demons serve only out of commitment. No love! And we have all seen how even after they make a commitment they break it all the time.

We serve Father out of love, we protect out of love and we defend ALL because of the love Father has for mankind. We don't kill out of anger. I don't know where this came from. Just because they force our hand to destroy them doesn't mean we are striking at them out of anger. And we don't kill them because we want too, we have too, to protect ourselves and ultimately the Bride! Please show me a war where no one fights and there are no casualties. In war, DUTY drives the soldier to fight, not anger.

We have never been asked or directed to love Satan, demons, evil, or for that matter, even angels. There is no reasoning with evil. And I will also tell you that Father does not love evil! These creatures turned their backs on Him before time began and they made their choices, to destroy all of mankind and follow Satan.

To date every demon that has been captured and put in the prison in Hell for the past two years does not want to come back and serve Father, not one. Their end will be the same as Satan's, The Lake of Fire! And they know this. Any demon can talk to Father and ask for amnesty. At any time. They don't need our help. Father said none have come and asked Him. They have all chosen to fight for Satan against us!

Father did not create us to save demons and evil. He created us to protect the Bride. We are not a negotiator between the sides. We are not diplomats on a crusade to convert demons.

Many years ago, as I stood on battlefield after battlefield, Father had me extend His hand of grace to ALL before the battle. Few ever accepted His offer. Father has stated, "That time is now gone."

The idea that there is some comradery between demons is not true. They are selfless and serve Satan and themselves. They do not protect each other. Nor strike out against us in retaliation for us killing their friends? I have witnessed them trying to kill their own before the battle when some did accept Father's offer. They have but one goal, destroy mankind at all costs! That is why they are willing to sacrifice themselves for Satan.

Everyone needs to stop listening to this spirit that is telling you to save them and contradict what Father and I are telling you. Would the Holy Spirit go against what Father and I are telling you? He would not! But Satan's spirits sure would.

Stop looking at evil as though it was human and had feelings and understood what love is. They can't! Father did not give them that capacity.

My instructions were very simple.

How do you prepare for this? Go see Father, He will give you instructions and a better sensitivity. Father wants ALL of us back in the game!

Some of you tell me that you can't see. You surely can feel them. When you do as Father has asked, HE will give you sight! He will tell you what to do. Then you will see them. Only a few of you have done as I have asked. And you reported back to me that you found them in your home and removed them. Good.

This team lacks a sense of urgency. Did I give you a time frame in my email? No, I didn't. Because I expected you all to act immediately.

**** EVERYONE'S HOMES HAS THESE HIGH-BRED DEMONS IN IT! ****

I had to kill another demon yesterday lurking behind me. Q had to cleaned his home three times this week. They are everywhere and they will not cease to try and hurt us.

I didn't destroy the high-bred demons in my apartment out of anger. They were attacking my wife. The moment they realized I was there they attacked ME. I defended myself and put them all down. And then peace was restored. They are more fierce and stronger than the normal demons. THEY WILL HURT YOU AND YOUR FAMILY!

I will ask all of you this. How is the energy in your home? Is there peace? How are your relationships with your loved ones? Are they strained? How is your temper and tolerance as of late? Are you irritated, fast to anger or just plain exhausted. Are you paying attention to what I am saying? None of this is a coincidence. Father, I'll say this again, Father has allowed all of this! He is trying to teach and prepare us for what is coming Guardians. What has He been saying to all of us the past 9 months? Do your job, serve Me as a Guardian. If you want to be a pacifist then you can't be a

Guardian. Yes, we are peacemakers and no we don't have to destroy and kill everything.

Let's boil down a demon to its simplest form. They are nothing more than a ball of negative, evil energy and when we destroy them they no longer exist. That is all. They don't have friends and families. We are not killing a person or hurting a human soul. Please focus.

I will also tell you as I have in the past. It is not your team's responsibility to police your homes. Their job is to protect you. Your job is to police your home, space and families and when needed help others.

Have you ever thought to yourselves why Father permits our teams to fall apart? I will tell you. Because we are being lazy! We are relying on our angels too much. So, He lets them waiver, then what happens? Do we not all wake up and start watching and doing our jobs? We stand up and fight!

Father's favorite phrase is, **"Every opportunity is a learning opportunity"**! He is always teaching us. And in this very moment that we are all standing in is a moment I am trying to teach you as well.

If you would like to stand down and not fight them I will just be very honest with you, then you will get hurt. In time, they will destroy and annihilate you and all that you love. How many of you are suffering right now? Are you fighting or are you pleading with them out of love?

I think of my friend Tom. He was set free two years ago and still he is under attack. Father told me that He will not allow a soul to hurt us or Tom. This is why He showed StarLight where these souls were being held captive against their own will by Andreus. StarLight freed them. Father did however say that demons come to Tom in "sheep's" clothing. They disguise themselves as a soul seeking help and then hurt Tom. I gave Tom power and authority to protect himself years ago. Negotiating doesn't work. They play on Tom's heart and compassion. I will also tell you that Jesus doesn't come and talk to the demons and plead with them. He comes and comforts Tom, that is all. Then what happens? The demons come back! It is a vicious circle that never ends. They must be destroyed.

Some of you are constantly under duress and have no peace. Why? Are you doing all I have taught you? Are you doing what Father has asked of you? I can honestly say you are not. Because if you were then you would not be having as many issues.

I am not the one who has chosen the demons destruction, they have. That happened the day they chose to follow Satan and leave Heaven under their own will. Father said they do not wish to have quarter, again that is amnesty. If you choose to go against what Father has told us and capture them and put them in Hell, their end will be the same as I have said. And then you can answer to Father for being disobedient.

I am your commander and friend. I CARE ABOUT YOU, YOUR FAMILIES, WELL BEING AND LIFE. This was not easy for me to say to any of you. We are at war with evil and it would seem as though they are winning in some of your lives. They have convinced you to show them compassion and then they still attack you and your loved ones. Wake up!

We are Guardians, we protect, defend and help the Bride to reach her goal to be with Jesus and Father for all Eternity.

Father has given all of you armor, a sword, a shield, a dagger and POG. Did He give you all of this so you would look pretty and dashing? Why have I trained you and why has Michael spent time training you to fight and defend yourself if you have no intention of ever fighting? Again, we are in the battle of our ETERNAL life!

I gave all of you the opportunity to step down last week. Our roles have been defined. You renewed your commitment to Father and Me. We need you. Please serve as Father is asking of us to do. PROTECT YOURSELVES, YOUR FAMILIES AND THE BRIDE!

Love,

Triland
