

Team Meeting notes – December 8, 2013

Father, Jesus and HS all give you Their love and I give you my peace.

Father said;

Please wish everyone a very Merry and Blessed Christmas from the Three of Us.

Many things have changed in the world. Many of you can feel this. I will tell all of you to be of good cheer and do not let the world sour your heart. I am completely aware of everything that is taking place and though you may not think so this is all part of my plan. I need all of you stay focused. Focus on yourself and your abilities please everyone I need you to all meditate more and spend time with those who I have provided for you. They will continue to instruct, train and prepare all of you for the future. Do not get discouraged but be strong. I can and will change things in time. This world is going to become a very desolate and depressing world. But I have sent lights to brighten it, YOU ARE ALL MY LIGHTS. Beacons that shin in the darkness, light that cuts through and destroys evil YOU ARE my Sentinels of light. Never forget that I am always with you, even through some of your darkest moments. I will never leave you. I love all of you very much, now stay the course and we will finish this task soon. Yep I said my Son's favorite word!
