

Team Meeting notes – Sept 20, 2013

(0:00 - 2:23) Father, Brother and HS all give you Their love and Father gives you extra strength. I give you my peace and I give you courage.

Address why everyone may be feeling numb or insignificant.

(2:24 – 3:12) - Father knows that all of you have been struggling with health, mental and spiritual issues. Be strong He is with us! Your hearts are tired and weary from battle that is why He gives you extra strength. Satan will continue to pick us apart and try to separate us DO NOT LET HIM! If there is a disagreement, talk it out, come to an agreement, come to an understanding, and forgive each other and move forward! The only way Satan can break us apart is by causing problems between us.

(3:15 – 3:57) We are HIS examples of Faith.

Be mindful of who you are at all times and how you handle situations. Control your emotions. Take a breath before you speak or act. Everything we go through is a training or a teaching moment. If you feel you have failed at times brush yourself off, forgive yourself, learn from it and keep moving. We never fail if we continue to learn.
