Happy Birthday – LightStar and Brilliance

Father said; **My very dear team. Now is the time for all of you to be on your guard. Once again I will tell you that there are many changes coming within this year. It is important that you continue to meditate daily. Be aware of your surroundings and understand our enemy Satan and his forces. Some of you have been personally visited by him, his efforts will increase. His task is to create doubt in all of you. Do not listen to him. You have shared in too many experiences to second guess yourselves now.**

The time of this earth is fleeting. Many concentrate on saving it instead of saving themselves. Your task in the future will be to teach them the importance of faith in Me, my Son's and coming home. Jesus set up one specific route, you will teach that in tandem with the Apostle's. The world will seek you out and lean on you during times of hardship and yes all of you will be strong enough to bear it. I chose all of you because I knew before time began that you could handle this for Me. I know I have no doubts.

It may seem as if joy has left your lives and you are stuck in the mundane. I now give all of you joy. Know how much I love all of you and am very proud of how all of you stand and fight for Me and support this task with my son. His announcement will happen in a short period of time, but many things much change and happen before that time.

I give you this "mundane" time to get your personal lives in order. I give you time to spend with your loved ones and to help teach and train you for the future. Please stop thinking that you are wasting your time, you are not! You are all still learning.

**Again I would encourage all of you to spend time with the archangels and your own teams. You all must be as the saying is spoken; "GOOD TO GO!" I know in my heart that you will be. Most of you are already anxious for this task to start so it can be completed and you can come home. "Everything in time" my dear ones
Now receive from my hand a blessing of strength, courage, more joy and peace. I love all of you very much.**
