*****MEDITATION SESSION*****

Father said: **My very dear family. Much rests on your hearts about this election and I will just say that the end results are my will.**

Now we must focus on the spiritual, for that is eternal. I am thankful for those of you who spent time with Jesus and went to a realm. You brought much joy, love and comfort by simply showing up. So I thank you.

This is a foretaste of the future. You will help those who you do not know but they know of you. You will extend compassion and love to all who seek me. Be you!

Never let your guard down, ever. Satan waits to strike at you and your family. Be vigilant in all things.

As we come into the holiday season many hearts change for the better and love abounds. Be mindful of those around you and always be kind.

I am thankful for all of you and am glad that you choose to walk this path of faith with *Me*. I will not forsake you ever. Things will get difficult in the future but I have bound our hearts together as one. You will feel what I feel towards mankind. Why I feel the need to save and help them. You again are an extension of *Me* and my Boys. Do the work, serve and love everyone. I love all of you.

Does anyone have any questions, comments or something they would like to add?
