

JARIUS

[JARE-us]

The meaning of Jarius "God Enlightens"

Enlightens means, to give intellectual or spiritual light to; instruct; impart knowledge to and to shed light upon.

In Greek it means He shines (meaning Father shines through Jarius)

Jarius was the father of a young girl resurrected by Jesus.

Father said;

As My Son Jesus took the parents and his 3 disciples in, He took the child by the hand and said: (Little girl, I say to you, get up!)' The girl stood up and walked around (she was 12 years old). Jesus healed by touch. Jarius will heal and help children understand My work by touching their hearts

He will give light to those lost in their own darkness

He will give knowledge to those who hunger to know more about Me

He will enlighten the confused and misdirected and set them on My path of righteousness

He will heal the broken and blind by shedding My Holy light upon them
