

NUCLEOUS

[noo-kee-uos]

Father derived this name from Nuclear; Operated or powered by atomic energy; "i.e." the energy Father gave you to be a Guardian and healer
Or relating to, or forming a nucleus; a central part about which other parts are grouped or gathered; a core.

Father said;

He is small in stature but he will become a powerful Guardian in My Name
He will destroy all evil that prevents a soul from coming to Me
The light/energy that he will bare will shine into the darkness and blind the enemy
He will attract and become the core/foundation of faith as an example for many, including his own family.
He will attract the lost and misguided to the core of our faith
He will gather the downcast and dejected in spirit
