

TRANQUILITY

[trang-kwil-i-tee]

The state or quality of being serene, calm, or tranquil; serenity.

Father said;

She will be filled with a peace that attracts all those who seek it

She will exude calmness

She will fill the restless with peace

In quiet moments she will give life to the lost

She will establish a firm foundation for the troubled with serenity

She will become a lighthouse of joy that attracts the downhearted and lost

She will become a pillar of strength and nobility in desolate times (**Nobility means: nobleness of mind, character, or spirit; exalted moral excellence**)
