*******MEDITATION SESSION*******

Father said, **Hello My dear children. We are still in the Easter-tide season, as well as spring time. I love spring time. Things that were dormant come to life and explode with color! It is a renewing of the planet. Growth begins again and life blooms forth.**

It also a period for your renewing time. For months you have been "dormant". The world has sequestered itself and very little activity is found. You have locked yourselves away from the world and each other. It is now time for all of you to SPRING FORTH WITH ACTIVITY!

Brush off the cobwebs on your hearts and soul and feel the warmth of the love and light I shine upon you. Breath it in deep and come to life! The winter-time is done.

I need all of you to be active. What does that mean? Open your hearts first to the idea that you can help everyone. This mean all of you. There have been moments I have placed in front of you to help and you ignored them. Please do not do that anymore. All of you have gifts. Do not be afraid of what others will say and do. You are an extension of my Son's and Me. We love all of mankind and can help all souls that seek Us.

Do not forget that you are not of this world. You are mine. I created you and bought you with the purchase of My Son's life. You belong to Me. Yes I am being selfish! I created you for a purpose. To serve and to help others. I laid into all of you empathy and understanding for others. No matter their circumstance. You can help. Be you! Be the soul's physician, counselor, guide and the healing salve to sooth them.

I will create more opportunities for you to help, keep your hearts and eyes open.

Now, stop second guessing yourself. I am trying to build confidence in you by giving you these experiences to heal. But some of you still question Me and Triland. Stop listening to Satan. He is quite afraid of the time that has now come into being. It has happened sooner than even he thought. He will mass a resistance against you, Me and mankind once again on a level that has not been seen before.

Within mankind also lies the future Bride of Christ. He will be merciless as he continues to separate nation from nation and race from race. You have already seen the division that is taking place in the world. This has and will continue to build and will get much worse. Do not buy into this at all. Guard your hearts so that you do not become judgmental.

You are above all of this "noise" looking down as I do. My hearts breaks once more at all of the confusion, anger, fear and pure hate that is being instilled. This is where all of you come in. You have within you the power to clarify, teach toleration and love. Just as Jesus did in His time. This time is not that different from Jesus' time, except the media spreads guile, pain and suffering like a drug hooked to a vein. People continue to feed that addiction. You through counsel and love will wean many off this poison. Does all of this make sense? Can you all see once more what your responsibilities are? You are My "strike-force of healing.

You must be patient with all of this. You cannot wean an addict off of a drug in a day. It is a process of medications and therapy. Can you now see why I have referred to all of you as "physicians"?

Some physician's lack a "bed-side manor". You do not lack this. This is where your empathy, love, understanding, and non-judgmental hearts come into play. Once more I ask that you are open and watchful for these opportunities to help, heal and save.

I am the great Physician and you are my residents. No I am not asking you to work 24 hours shifts...yet! HAHA!

Your Father loves and appreciates your help and sacrifices.

A DEEPER UNDERSTANDING

What is the "glory of God "?

Glory: very great praise, honor, or distinction bestowed by common consent; renown, something that is a source of honor, fame, or admiration; a distinguished ornament or an object of pride. Adoring praise or worshipful thanksgiving

Glory is used to describe the manifestation of God's presence. The Glory of God, it is something only God has and only He can give. ... But when the Glory of God comes down, it bypasses man. It is God sovereignty doing what He wills.

Sovereign= a monarch; a king, queen, or other supreme ruler, a person who has supreme power or authority. Father will share His glory with us. Bringing glory to Father means we acknowledge His power and authority.
