Father said, **My dear family. I greet you in love.**

Do not concern yourselves with this world. For I have told you that there would be wars and natural disasters that will herald Jesus' coming. Behold what I have said. This is just the beginning. So much more is about to happen across this world. The likes of which no one has ever seen.

This pandemic was the start of this next period of time. Many have suffered pain and loss. I used this to test the hearts of mankind. Many turned away from the world and came back to Me. This made my heart very happy. But in a very short time many will turn back to the world and leave once again. This is all free-will.

May I tell you again that I hold you and your families in the palm of My hand? You will be shielded from this. You are My Guardians. Let us once more define for you what that means.

Guardian

a person who guards, protects, or preserves.

Law. a person who is entrusted by law with the care of the person or property, or both, of another, as a minor or someone legally incapable of managing his or her own affairs.

You are my protectors and you will defend My laws. What laws do I speak of? The path to righteousness, the path to My kingdom. You will teach all who will listen how to get to Me.

You already know what your tasks are.

Protect the Bride of Christ

Defend the Apostle's doctrine

Help bring the Bride home

I have and will continue to give you what you need to do all of this. My Son Triland will share more with you later.

For now take heart. I know that you have many questions. Such as; how will I support my family financially? Where will I live when this happens? How will I feed my family? Where will Triland be and how am I going to support Him?

In time you will know. All I ask of you is to have faith in Me. I have reassured you many times that I have this. I will tell you when the time is right.

You now need to focus on YOU. Meditate, come see Me. Go into Eternity and serve the Bride there. And never forget to be YOU! Learn and use your gifts. Much of your potential has not even been unlocked. I am speaking to all of you, not just the new Guardians.

Stay alert, be vigil, be active and continue in the work that is yours and all of mankind's salvation.

Know your Father loves you and does not judge you.

Does anyone have any questions, comments, or something they would like to add?

A DEEPER UNDERSTANDING

1 Corinthians 4

Let a man so consider us, as servants of Christ and stewards of the mysteries of God.
