I give you my peace.

*******MEDITATION SESSION*******

Father said, **Hello My dear children. It has been some time since I have given you a message. Triland as you know is struggling with many things. He has no idea how often you His closest family have interceded on his behalf. If I were to share a small piece of that with him, it would overwhelm him. I would like to personally thank all of you for giving him his space and praying for his strength.**

Now let us get back to business. This world as you can see is falling apart more. Many natural disasters and wars, turmoil and strife have taken hold. This is what Revelations has spoken of for thousands of years. It is now in full effect.

Maybe questions come up, Should I plan for the worse? Should I get a gun, more ammo and food to support my family for months. Yes you may. I have built into all of you a "Sixth" sense for this. Trust your gut. Now do not go overboard by going off the grid and wearing tinfoil hats. Be you.

I have said in the past that I will protect you. I do not want you to be scared. In the old testament I kept the Israelites' safe as well. But at times they needed to defend themselves. No, this will not turn into a crazy apocalyptic zombie time. No one is going to come after you and eat your brain. Well hopefully not. Ha-ha.

You *will* be prepared! I have been teaching you and readying your hearts for years. Even as a child I taught you all for this time and its tasks. You will never fear and you will succeed. Again I have seen it. You need to put your trust in Us, yes Triland is included in the "Us". He knows things that in time he will share more with you. But you are not quite ready.

New Guardians will be added and many of you are not fully trained. That will resume next month. Triland will reach out to you and set a schedule. If any of you "old timers" who have been on the team for a time would like to join in, I would greatly encourage you to do so. So much information so little retention.

I have asked Triland to work with HS and come up with a new Guardian Vow. It will encompass everything that we need from you. It will become the standard vow that all future Guardians will take. I am very excited about the future My dear ones.

I would also like to commend all of you for staying active during Triland's testing period. I put him through this to make him stronger and you as well. He and you never realize that while you struggle many others observe and learn from you. Be it here on earth or in Eternity. You are always an example. Yes, a good one. I am so very proud of all of you.

I know you new Guardians have many questions. I would encourage you to write them down and ask Triland during your training classes. This is why you have this time with him.

Triland is no different than Jesus, in this aspect. Jesus took the time to teach his friends, to mentor them and to earn their trust. Triland is doing the same thing. The only thing different is that Triland is not perfect...yet! And neither are you. Please continue to support him. He supports you, always!

I will tell you this. Many of you as I have said, prayed and interceded on his behalf. But some of you sent him emails, and left him voice messages. Others saw that he had demons in his space and you removed them. One of you saw that a previous Guardian cursed him and you prayed and I removed that curse. It is through adversity that we overcome and find out who we really are. You...are...always...learning. This will never stop.

Continue to fight against evil. Do not concern yourselves with politics. There is nothing you can do right now to change one thing. The United States will fall, and you will be ready to handle what comes next. I need you to focus on the spiritual. Many souls in your circle of life need your help. Help them. Service for the Departed is just around the corner. Please mediate and help there as well.

You are all gifted in so many ways. And none of you have tapped into the true gifts I have laid into you. Search your hearts. Jump out of your comfort zone. Take courage and trust your instincts when something comes up. You have the tools to complete all of these tasks. Now let's all get to work.

You are always in your Father's heart and He loves you very much.

Does anyone have any questions, comments, or something they would like to add?

A DEEPER UNDERSTANDING

What is the "life" within us? The life of the Holy Spirit. He counsels us in our own voice.

12 THINGS THE HOLY SPIRIT DOES (PART 2 SERIES)

4. THE SPIRIT TEACHES US

"The Spirit, will teach you all things." Jn. 14:26

The Holy Spirit is our teacher. He instructs, corrects, and trains us.

5. THE SPIRIT CHANGES US

"The fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control." Gal. 5:22

The Spirit changes one's character. He removes pride and replaces it with a Christ like disposition.

6. THE SPIRIT ENVISIONS US

"I will pour out my Spirit on all people. Your sons and daughters will prophesy. young men will see visions, old men will dream dreams." Acts 2: 17,18 ***"I was in the Spirit, and there before me was a throne in heaven."*** Rev. 4: 2

Visions are glimpses of the supernatural realm. The Spirit allows us to see beyond the natural realm so we may work together with God.

INTERESTING TIDBITS

MIRROR

When Father looks into a soul the little piece He puts of Himself is a mirror. He sees Himself in every soul.

When we look at a soul do we see Father in ourselves?

AGENDA / TOPICS FOR DISCUSSION

- **Don't fill with earth energy. Fill with Father energy.**
- **The Bride of Christ is created by a cookie cutter that is Jesus.**
- **The service shouldn't be like a buffet line. It is served "family style". Eat everything Father puts in front of you.**
- **Live in joy, as a king and priest, to do this we must work first.**
- **New Guardian vow**
