*******MEDITATION SESSION*******

Father said, **A big hello and welcome my children.**

I have much to share with you today. As you may have noticed the United States is starting to fall apart. It will continue to do so. Some of you are concerned about the future and your basic needs. Such as food, shelter and the "simple things" in life.

Last month I told you to get arms if you wish, some already have them. Now I will tell you to stock up on provisions. No, we will not be entering an apocalyptic era. But the basics will start to become sparse. Trust your gut. Canada should not see many shortages beyond what they are experiencing now. Hmmm maybe everyone in the states should move in with the Horn families? I'm kidding.

Again trust your gut. Do what you think is best as far as currency goes. I am not going to tell you what to invest in. You have instincts, trust them.

Now onto the spiritual. Satan has been stepping up his activities across the globe. Perhaps it is time once again for all Guardians to mass their own armies and pick a country to go to take down his forces. This will alleviate much. Plus it will give all of you more experience in commanding and preparing for the final battle. All of you will be involved. Please let Triland know which country you will help and he will keep track for all of you.

You will continue to feel evil is building. The end time is now! You will see more natural disasters and wars. This once again is the proof that Jesus will come soon. Yes my Son's favorite word. Soon.

Take heart and never be discouraged. Trust your heart and make your plans with your families. If you feel the urge to move to another state then do so. I can always use you to serve wherever you go. You know what is best for your family. Talk with Me and I will help you make and execute a plan. I will always bless you wherever you are.

Do not fear the future. I have and will continue to prepare you. Live your life, both physically and spiritually.

The Service for the Departed is weeks away. Last month Triland asked you be active there. Not many of you were. Please go this week. Much help is needed. Many need to see the hope that all of you embody. You carry My life and love. Shed it abroad in the darkness and ignite the souls hearts. We will guide you.

You may also feel a great sadness around you. This is the pulse of the world and Satan's doing. Everyone is so focused on this world instead of their eternal world. Many churches will start to fill up. But they will receive no comfort there. Simply put, My life, the life of the Holy Spirit is not active there. Many will go from church to church and keep seeking Me. In time many will flood into the New Apostolic Church. All your training will now come to a head and you will know how to serve alongside the ministries in your congregations. Be YOU! I have given all of you time to step into your Guardianships. Yes you to Nova. Welcome to the team.

All of you have had many experiences prior to accepting Our invitation to join the team. Yes all of you. Stop worrying about the future and focus on the "now" and how you can help those who seek Me.

Many of you feel hollow and unfulfilled in your lives. You feel that you serve no purpose. Have you been listening to Me for the past few minutes? You have purpose. I have given you purpose. Work, be active, now! The time is now. Not next week or next month or even next year. It is now. You can change and help so many lives. Be the examples I know that you are. Despite mankind around you. If they frustrate you, do not judge them. Yes I know how hard this is.

Let me give you some help. Many of you have cared for other's children have you not? When you were babysitting and care for them and they did something wrong did you judge and yell at them? No, you were kind and loved them. I am asking you to do the same for all mankind. No they are not all My children, yet. But all of them are mine. Part of My creation which I have blessed. Please remember that. You are the gardeners of My precious garden and I am trusting you with their souls. Is that not a mind opening experience for you? Love, love and love more. No more judging them. Stop yourself, you can do this. Do it, Do it now. Ha-ha.

Once more, get to work. The Four of us love you all so very much.

Does anyone have any questions, comments, or something they would like to add?

A DEEPER UNDERSTANDING

What is the "life" within us? The life of the Holy Spirit. He counsels us in our own voice.

12 THINGS THE HOLY SPIRIT DOES (PART 3 SERIES)

7. THE SPIRIT EQUIPS US

"To one is given through the Spirit – wisdom, to another knowledge, to another faith, to another gifts of healing by that one Spirit, to another miraculous powers, to another prophecy, to another distinguishing of spirits, to another speaking in tongues, to another the interpretation of tongues. All of these are the work of the Spirit." 1Cor. 12: 8-11. These gifts are given to equip us for our Bridal ministry.

8. THE SPIRIT EMPOWERS US

"You will receive power when the Holy Spirit comes on you." Acts 1: 8

Authority comes to those who are filled with the Holy Spirit. They have power over demons and authority with men.

9. THE SPIRIT LIBERATES US

"Now the Lord is the Spirit and where the Spirit of the Lord is, there is freedom." 2Cor. 3: 17

The Spirit removes the hindrances (past and present) from our lives so we may be free. Then we can be all God has called us to be. Sin imprisons us, but if we live by the Spirit we are freed from sin. (Gal. 5: 16)

INTERESTING TIDBITS
