*******MEDITATION SESSION*******

Father said, **My dear warriors, yes you have been busy clearing out countries and you are certainly making a difference. Keep it up!**

I would like to talk about the coming holidays. There is not enough time for families to come together in love and celebrate holidays such as the upcoming two. Thanksgiving for the US and Christmas for the world. Please make your plans to spend time together with your families. Share your joy and love with them.

Many things will start to become clearer in the following year. You have received instruction from Triland. This is now the final steps in your training. Focus on Eternity and the spiritual world. This physical world is not ready to accept anything you have to say. But the other side of the “vail” is.

I need you to spend your time on that side. Satan has taken up an attitude towards all of you. He believes that you do not matter at all. In other words, he has nothing to fear from you. Please show him that he does. That his days are numbered. I will not be provoked. This is why I send my second Son and you.

Every soul that you reach and every demon that you dispatch makes a difference in Satan’s existence. It is waning. By the time you are done he will have a new level of respect for all of you. Never fear him! His bark is worse than his bite. He is like a noisy poodle.

I am proud of you and have watched you grow. Many of you are coming in near the end of My plan, and yet you will be ready when the time comes. January will be a month of classes and training.

We must get the new Guardians up to speed! And Triland will. Listen to him, make time to be in the classes. The time is now!

The apostles on the earth are still listening to the spirit of the world. They continue to try and make everyone happy. In the process they chip away pieces of the foundation that Jesus laid so long ago. I will not allow the church to fall. As I have said in the past there will be a separation, a split. The true teachings of Jesus' Gospel, of My words will remain. The other garbage that is spoken now will pass away. My children will be fed in spite of the current leadership.

All of you need to spend more time together. Last weekend many of you were reminiscing about the times when Triland would come for a visits and your hearts would be on fire and your faith would be rekindled. This still must happen. Find the time, be together share your experience and learn from each other. I know the three of us may stop by and crash your gatherings. I will bring the beer; Jesus will bring the wine and HS can bring the chips! Why not?!

The world is so serious and lost. Things that make no difference are now what they focus on. The spirit of separation is rampant! All of you, find those spirits and destroy them before they destroy mankind. You have My permission now.

Stay alert, be mindful of your surroundings. Never relax while you are out and about. Pay attention to the souls you pass, help them, help Eternity and be active.

Your Father loves you very much.

Does anyone have any questions, comments, or something they would like to add?

A DEEPER UNDERSTANDING

10. THE SPIRIT UNIFIES US

"We were all baptized by one Spirit into one body." 1Cor. 12: 13 "Make every effort to keep the unity of the Spirit." Eph. 4: 3

The Spirit draws us to unity. The more of the Spirit we have the more we will embrace unity in Christ.

11. THE SPIRIT SENDS US

"When the Holy Spirit comes on you, you will be my witnesses."

Acts 1: 8 **"The Holy Spirit said, 'Set apart for me Barnabas and Saul for the work to which I have called them.'"** Acts 13: 2

The Spirit commissions us to do the ministry. He sends us out to work.

12. THE SPIRIT PRAYS FOR US

"We do not know what we ought to pray for, but the Spirit himself intercedes for us, in accordance with God's will" Rom. 8: 26, 27

We do not know what we ought to pray for. The Holy Spirit helps us in our weakness and prays for us so we may fulfill God's will for our lives.
