*******MEDITATION SESSION*******

Father said, **Hello and welcome to the New Year. First off, I would like to say that I love all of you more than you will ever know.**

This coming year is full of changes. Personal and spiritual. I want you to know I will be with you always.

Now let us get back to work. Many countries still need your help. Next Saturday the new Guardians will be trained. If any of you, veterans or new ones ever have a question please ask Triland for help. I do not want anyone to feel that they are ill-prepared for the future. I know it is a lot of information, but you will retain it by doing the work.

As you can see rumors of wars are happening. I told you this would happen. It beckons Jesus' return. I need all of you to be open to those around you. Listen, observe, and help where you can.

A few of you started new jobs. Others are moving to a new location. These are all new opportunities to shine and show these people who you are. They will be drawn to you like a moth to a flame. Be you!

I know many of you have questions about what the year will bring for you. I will explain things as we go through the year together.

Many of you have not been meditating on a regular basis. Why? If you are not in control of yourself, how can you help others? It is very important that the "Dailies" are done every day. And that you meditate a few times a week. I am not talking about the 2 minutes you are convincing yourself that you spent just helped you.

No, I am talking about spending time by yourself to go inside and see what your own personal issues are. How you can help heal your own body and edify your soul. Then you should make time that you will spend with us. I still haven't seen many of you since November's meeting. I gave you gifts and asked you to come and see Me so I can reveal them to you. Are you scared? Please come and see Me.

I will let all of you settle into this year slowly. Please stay active and alert.

We are always with you and love and support you. Now get to work. 😊

Does anyone have any questions, comments, or something they would like to add?

A DEEPER UNDERSTANDING

1 Corinthians 10:13

No temptation has overtaken you except such as is common to man; but God is faithful, who will not allow you to be tempted beyond what you are able, but with the temptation will also make the way of escape, that you may be able to bear it.
