*******MEDITATION SESSION*******

Father said **my dear souls**. Some have suffered loss this month. I want all of you to know that I needed Betty to help complete My work in Eternity. She has a faith like no other. It is with that, that she will show so many how to forgive and overcome *anything*. Just as she did. Nova, I know how proud you are of your mother. You may come and see her any time you would like. Please come to My chamber.

With that said, let us stay in this vein of Eternity. The service for the departed is two weeks away; Preparatory Service for the departed is a week from today. Have you gone into Eternity to help? Jesus told Triland on Friday that his help is needed there, and He will take him to where he is needed most.

All of you have many gifts, Jesus or your lead angels can take you as well where *you* are needed most. There is still time. Please go. No excuses. I could always make you sick so you cannot go to work and would then have time. You know I will not do that.

It is important that you are active. Serve there and serve here. Again be vigilant and follow through when HS prompts you. You are watched by many unknown to you. Yes here on earth. Have you ever seen someone stare at you? And they look away suddenly. It is because they do not understand who you are. It is on a deeper level that they are looking at you and they are not aware. This is who you are. They know there is something different about you. In time you will grow into your gifts and the world will see them and know you.

I know that all of this can be overwhelming at times, but I ask you to push forward. Never fear anything. Including the future. I have given you My word that you and your families are safe.

Be full of the Holy Spirit. Allow Him to work through you. Sanctify yourself. Even though you ask me for forgiveness you must also sanctify, consecrate yourself before you do your work. For the work you do is Holy. This is done through prayer. Ask Me.

I need all of you to understand that I have chosen you for this perfect task. When you server others they will feel Me, My love even more because you are consecrated and have readied your heart.

Never forget that you are *not* of this world. I consecrated your new energy when I made you a Guardian and you accepted your new vow. Now be you. Delve into your gifts, come and see Me. I can open them to you and share with you the power you hold.

I love you always.

Does anyone have any questions, comments, or something they would like to add?

A DEEPER UNDERSTANDING

HEBREWS: 12-11

Now no chastening seems to be joyful for the present, but painful; nevertheless, afterward it yields the peaceable fruit of righteousness to those who have been trained by it.

NIV Version

No discipline seems pleasant at the time, but painful. Later on, however, it produces a harvest of righteousness and peace for those who have been trained by it.

INTERESTING TIDBITS

Even though we've heard the "word" a thousand times. Father's life and strength is still in every word.

AGENDA / TOPICS FOR DISCUSSION

- **Sanctify definition:** Sanctification or in its verb form, sanctify, literally means "to set apart for special use or purpose", that is, to make holy or sacred. Therefore, sanctification refers to the state or process of being set apart, i.e. "made holy", as a vessel, full of the Holy Spirit of God.
- **RELIGION/Sikhism – Tricous**
- **Nuke - experience**
- **Tricous - Mongolian battle**
- **Realms I visited**
 1. **Unknown - they feel you Father doesn't know them**
 2. **Illogical - I told them to ask Father for wisdom**
 3. **Unpersistent - they gave up. I gave them joy, I gave sight to see the help In front of them**
 4. **The Abyss - so deep in despair that they can't be consoled. I showed Father's love through the Light Brigade. Then they POGged every soul at one time.**

5. Unfeeling/numb. I had our Brothers and Sisters hug them and I POGged them. I gave them grace, peace, love and consoled their hearts with understanding.
