I give you, my peace.

Our host is Aria.

*******Opening prayer*******

Father said: **My dear family, a hearty greeting to all of you. As you would expect the Service for the Departed was an immense success. Billions found grace and were able to move to the realm of their new level of faith. Plus, many entered the Realm of Paradise and are sealed. It was a beautiful day. Thank you for your help and prayers. Please continue to work in Eternity.**

What shall we talk about? Grace? Yes grace. It is a word that is bantered about but very few extend it or use it. We live in a judgmental world filled with anger, resentment, and outright vindictiveness. I see this world and the people in it, and I just want to cry. They have all strayed so far away from Me. I would like to see each of you extend grace to your family and those other souls that cross your path. To extend grace is to be "Christ" like.

Within the family there can be arguments and sometimes words are said in anger that are not meant to be said. Forgive each other and give grace. I give grace to you. Be the Guardians of "Peace and Grace." Think "Grace" before you act or say something. It will change your life and the way you perceive the world.

Now, let us talk about this world, it is a mess. And it is expected to get worse. Mankind is poised to destroy each other because they cannot extend grace. Country is fighting country. People are fighting each other. All because of one word, "hate"! If the world would have more understanding this would not be the case. I am bringing this to your attention because you are *not* of this world. You are all new "creatures" in Christ. Always remember that. You are above the nonsense of this world and the way they think. I have been teaching you all your life that you are different. Not so that you would get a swelled head filled with pride and arrogance, but a heart filled with patience, understanding, love, and wait for it...grace! Yes GRACE!

Grace is now our team's "buzz word." I would like all of you to focus on this word. Here is the definition of the word "grace."

1a: unmerited divine assistance given to humans for their regeneration or sanctification.

b: a virtue coming from God.

c: a state of sanctification enjoyed through divine assistance.

2a: APPROVAL, FAVOR

b: MERCY, PARDON

c: a special favor: PRIVILEGE

d: disposition to or an act or instance of kindness, courtesy, or clemency

e: a temporary exemption: REPRIEVE

God's grace is usually defined as "undeserved favor."

"Grace" make this word part of your daily vocabulary. When you act on something act by grace. When you serve, serve out of grace. Be the soul I know you can be.

Know that your Father, Brother and HS love you very much.
