*******Opening prayer*******

Father said: **My dear family I welcome you and give you My peace and fill your hearts with joy.**

I need all of you to remain calm when things start to get “stirred up” in the world. Perhaps you are wondering why I mention the “world” every time we have a team fellowship? It is because it needs your attention. Some of you go about your day and you ignore the help that is needed in this world. Be it cleaning a country or helping elsewhere. I bring this subject up numerous times because you act like the Israelites in the Old Testament. I say something and there is no action. I repeat myself and still there is no action. I continue to mention it and still no action.

Perhaps if you do what I am asking of you we could speak on other topics. If you are getting frustrated because I am bringing this subject up once again perhaps it is because it is a “sore” spot for you because you are not doing anything. Hmm? Ask yourself these questions.

- 1. When was the last time you gave a healing?**
- 2. When was the last time you helped in Eternity?**
- 3. When was the last time you cleaned a country?**
- 4. When was the last time you spent time with Us so that I could give you instructions as to where I need you to help?**
- 5. When was the last time you served someone?**
- 6. When was the last time you put Me first?!**

I do not bring subjects up in vain. They have a severe reality on what takes place on a soul, be that yours or others. Your inaction hurts others.

How many times have I asked you to come and see Me? I mean, come, and listen to Me. Do not talk, listen. I have many gifts I would like to share with you, but I am not going to throw them at your feet hoping that you will pick them up and start using them.

I understand how “busy” life can get. I do see everything.

- 7. When was the last time you asked Me for help so that you *could* serve?**
- 8. When was the last time you felt joy in serving?**
- 9. When was the last time you got excited that you were a Guardian?**
- 10. When was the last time you did not get mad when something in your life went wrong?**
- 11. When was the last time you cried and asked Me for peace?**

If you are feeling overwhelmed, then why do you not come and talk to Me? Really talk to Me!

Do you know that you can come to Me and let me hold you. And because you cannot find the right words, I would “read” your heart and help you!

Sometimes Triland and I would sit together and neither of us would say anything and yet there was a “conversation.” Does that make sense to you?

Please do not feel that this is a “scolding” it is not! It is an *admonishment* for you to open your heart to Me. Perhaps you would feel better if you wrote me a letter and burned it.

12. When was the last time you wrote a letter and burned it so that you could breathe again?
13. When was the last time you “got back to the basics?”

I know that you may feel that I am being harsh with you, I am not. I love you and need you to help Me with this plan of mine. I do not have the time to find others to teach and train. Please, please, please help Me. Please feel the love and adoration I hold all of you in. Please.
